Alone Together How Marriage In America Is Changing

Claude S. Fischer

Alone Together How Marriage In America Is Changing:

Alone Together Paul R. Amato, 2007-01-15 Most observers agree that marriage in America has been changing Some think it is in decline that the growth of individualism has made it increasingly difficult to achieve satisfying and stable relationships Others believe that changes such as increasing gender equality have made marriage a better arrangement for men as well as women Based on two studies of marital quality in America twenty years apart this book takes a middle view showing that while the divorce rate has leveled off spouses are spending less time together people may be bowling alone these days but married couples are also eating alone Indeed the declining social capital of married couples including the fact that couples have fewer shared friends combined with the general erosion of community ties in American society has had pervasive negative effects on marital quality At the same time family income has increased decision making equality between husbands and wives is greater marital conflict and violence have declined and the norm of lifelong marriage enjoys greater support than ever The authors conclude that marriage is an adaptable institution and in accommodating the vast changes that have occurred in society over the recent past it has become a less cohesive yet less confining arrangement *Alone Together*

Paul R. Amato, Alan Booth, David R. Johnson, Stacy J. Rogers, 2009-06-30 Based on two studies of marital quality in America twenty years apart *Alone Together* shows that while the divorce rate has leveled off spouses are spending less time together The authors argue that marriage is an adaptable institution and in accommodating the changes that have occurred in society it has become a less cohesive yet less confining arrangement **Second Thoughts: Sociology Challenges Conventional**

Wisdom Janet M. Ruane, Karen A. Cerulo, 2011-06-07 Do birds of a feather flock together or do opposites attract Does haste make waste or should you strike while the iron is hot Adages like these or conventional wisdoms shape our social life This Fifth Edition of *Second Thoughts* reviews several popular beliefs and notes how such adages cannot be taken at face value This unique text encourages students to step back and sharpen their analytic focus with 24 essays that use social research to expose the gray areas of commonly held beliefs revealing the complexity of social reality and sharpening students sociological vision *Catholic Theological Ethics, Past, Present, and Future* James F. Keenan, 2011 An international meeting

in Trento in July 2010 brought together some 500 theological ethicists from nearly 75 countries This volume represents the state of the art in moral theology from around the globe with contributors from North America Latin America Europe Asia and Africa Divided into three main parts the past the present and the future contributors include John W O Malley foreword Monsignor Luigi Bressan Archbishop of Trento James F Keenan Archbishop Bruno Forte Mercy Amba Oduyoye Ghana Ahmad Syafii Ma arif Ma arif Institut Indonesia Paolo Prodi Italy Laurenti Magesa Kenya Regina Ammicht Quinn Germany Alberto Bondolfi Switzerland Diego Alonso Lasheras Italy Roger Burggraeve Belgium Anne Nasimiyu Kenya Bryan Massingale US Antonio Moser Brazil ric Gaziaux Belgium Margaret Farley US Benezet Bujo Switzerland Brian Johnstone US Miguel ngel Sanchez Carlos Mexico David Kaulem Zimbabwe Leo Pessini Brazil Pushpa Joseph India Margaret Ogala Kenya Julie Hanlon

Rubio US Aloysius Cartagenas Philippines Christa Schnabl Austria Simone Morandini Italy Myroslav Marynovych Ukraine Peter Henriot Zambia Cardinal Reinhard Marx Archbishop of Munich Freising Germany Julie Clague Scotland Shaji George Kochuthara India and Mar a Teresa D vila US *The Evolving Citizen* Jay P. Childers,2012 Examines through an analysis of seven high school newspapers the evolution of civic and political participation among young people in the United States since 1965 Provided by publisher **Family Life Education** Carol A. Darling,Dawn Cassidy,2014-04-23 Contemporary family life educators operate within a wide range of settings and with increasingly varied populations and families In the third edition of Family Life Education Darling and Cassidy expose readers to the diverse landscape of the field while laying a comprehensive research based practical foundation for current and future family life educators The authors both CFLE certified consider the Certified Family Life Educator certification requirements of the National Council on Family Relations throughout the text Their broad overview of the field includes a brief history and discussion of family life education as an established profession The authors incorporate theory research and practice while also providing guidelines for planning implementing and evaluating family life education programs Chapters on sexuality education relationship and marriage education and parenting education highlight some of the more prevalent and visible forms of family life education Comments from international educators and interactive classroom exercises focus on global trends building awareness and appreciation of diversity Discussion questions and activities encourage readers to examine issues and apply what they have learned

Sweet Surrender Dennis Hiebert,2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a

Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Contemporary Society John A Perry,Erna K Perry,2015-08-27 This best selling text emphasizes that social and cultural changes are the pervasive realities of our era One of the main themes of Contemporary Society is that the transition from an industrial to a post industrial order in the modern world is fraught with difficulties as was the transition from an agricultural to an industrial order in an earlier era Within this framework we can observe the increasing fragmentation of the social order which tends to lead people away from community and a common purpose and often invites conflict and disunity At the same time countervailing social forces are also at work providing some stability some shelter in the storm Finally societies are faced with the rapid and transformative power of information technology a fact that propels separate groups of people into a global entity

Contemporary Society John Perry,Erna Perry,2016-04-14 This best selling text emphasizes why social and cultural changes are the pervasive realities of our time A key theme of Contemporary Society is that the transition from an industrial to a post industrial order in today s world is fraught with difficulties as was the transition from an agricultural to an industrial order in an earlier era Within this framework we can observe the increasing fragmentation of the social order today which tends to lead people away from community and a common purpose more often bringing conflict and disunity Still countervailing social forces are also at work providing some stability some shelter in a sea of change Ever more societies are faced with the rapid and transformative power of information technology which helps propel separate groups of people into a global entity This introduction to the social sciences shows what the authors have learned from such disciplines as anthropology geography history sociology psychology political science and economics and how to apply social science approaches to an ever faster tempo of change The authors cover family life interaction with others racial and ethnic diversity education religion population environment and many other topics analyzed in a student friendly approach New to this Edition The integration and flow of the text has been improved for better student comprehension Expanded selection of Web Links to many more sites for student research many relevant to their interests and entertainment choices Enriched focus on applying social science knowledge to current events transcending a complete reliance on assumptions from the media New expanded coverage on topics throughout the book including New findings from global warming research and its implications for social life and policy New developments in race relations in an integrated approach throughout many chapters Deepening inequality and the implications that threaten family education and student futures nationally and globally Gender including

new developments in legal gay marriage and transgender Expanded coverage of genetics and the medical potential of human genome sequencing New developments in astrophysics and their potential implications for society Updated Statistics throughout

Made in America Claude S. Fischer, 2010-05-15 Our nation began with the simple phrase We the People But who were and are We Who were we in 1776 in 1865 or 1968 and is there any continuity in character between the we of those years and the nearly 300 million people living in the radically different America of today With *Made in America* Claude S Fischer draws on decades of historical psychological and social research to answer that question by tracking the evolution of American character and culture over three centuries He explodes myths such as that contemporary Americans are more mobile and less religious than their ancestors or that they are more focused on money and consumption and reveals instead how greater security and wealth have only reinforced the independence egalitarianism and commitment to community that characterized our people from the earliest years Skillfully drawing on personal stories of representative Americans Fischer shows that affluence and social progress have allowed more people to participate fully in cultural and political life thus broadening the category of American yet at the same time what it means to be an American has retained surprising continuity with much earlier notions of American character Firmly in the vein of such classics as *The Lonely Crowd* and *Habits of the Heart* yet challenging many of their conclusions *Made in America* takes readers beyond the simplicity of headlines and the actions of elites to show us the lives aspirations and emotions of ordinary Americans from the settling of the colonies to the settling of the suburbs

A Sword between the Sexes? Mary Stewart Van Leeuwen, 2010-02-01 What did C S Lewis really think about gender roles In this book a widely recognized expert on male and female roles evaluates Lewis s understanding and presentation of gender revealing that he ended his life thinking differently about gender than many of his followers assume This is the first book to provide a close examination of Lewis s thought on gender and what it means for today It addresses the tension between faith and science and offers insight into the continuing debate over gender relations egalitarianism and complementarianism The book will appeal to readers of C S Lewis and those who are interested in gender issues

Families with Futures Meg Wilkes Karraker, Janet R. Grochowski, 2012-04-23 Noted for its interdisciplinary approach to family studies *Families with Futures* provides an engaging contemporary look at the discipline s theories methods essential topics and career opportunities Featuring strong coverage of theories and methods readers explore family concepts and processes through a positive prism Concepts are brought to life through striking examples from everyday family life and cutting edge scholarship Throughout families are viewed as challenged but resilient Each chapter opens with a preview of the chapter content and concludes with key terms and varied learning activities that promote critical thinking The activities include provocative questions and exercises projects and interactive web activities Boxes feature authentic voices from scholars and practitioners including CFLEs from a variety of disciplines including family studies sociology psychology and more These boxes provide a firsthand look at what it is like to work in the field The book concludes

with a glossary defining each chapter's boldfaced key terms Updated throughout the new edition features new coverage of The latest family theories including feminist theory and postmodernism Immigrant and transnational families in the 21st century Physiology psychology and sociology of intimacy and sexuality Effects of recent health and other policy decisions on families Care giving in families especially in later life Family finances with an emphasis on the recent economic downturns Career opportunities in family studies The new Instructor's Resource website features test questions PowerPoint slides chapter outlines news bulletins of current events hotlinks to helpful tools such as the NCFR's Ethical Principles and Guidelines and more This is an ideal text for upper level undergraduate and lower level graduate courses in family studies family ecology and family science offered in departments of family and consumer sciences human development psychology and sociology

Marriage at the Crossroads Marsha Garrison, Elizabeth S. Scott, 2012-10-15 The institution of marriage is at a crossroads Across most of the industrialized world unmarried cohabitation and nonmarital births have skyrocketed while marriage rates are at record lows These trends mask a new idealized vision of marriage as a marker of success as well as a growing class divide in childbearing behavior the children of better educated wealthier individuals continue to be born into relatively stable marital unions while the children of less educated poorer individuals are increasingly born and raised in more fragile nonmarital households The interdisciplinary approach offered by this edited volume provides tools to inform the debate and to assist policy makers in resolving questions about marriage at a critical juncture Drawing on the expertise of social scientists and legal scholars the book will be a key text for anyone who seeks to understand marriage as a social institution and to evaluate proposals for marriage reform

The Federal Statistical System: Its Vulnerability Matters More Than You Think Kenneth Prewitt, 2010-09 How do federal statistics strengthen our nation's science as well as its policy From demographers requiring vital statistics to economists relying on national accounts from political scientists using voting data to sociologists requiring race ethnicity statistics from public health researchers needing epidemiology data to those working on the history of the United States and drawing on statistical records the need for official statistics is great And yet it is not widely recognized that federal statistics provide a vital contribution to the nation's scientific infrastructure as well as serving as an information provider to the policy process What is the role of the federal statistical system in our scientific knowledge of American society Would the social knowledge relevant to public policies have reached current levels of maturity in the absence of public statistics Except by the scientific community that actually uses them federal statistical programs are typically not thought of in scientific terms but as adjuncts to important government functions In this latest volume of The ANNALS leading academics along with key federal officials including the president's science advisor the chief statistician of the U S the director of the Office of Management and Budget OMB the presidents of the National Academies and the director of the Census Bureau address the argument that the statistics that the federal statistical system produces should be understood as constituting a scientific infrastructure for the empirical social sciences Further they see the current federal

statistical system as the best hope for bringing strong science to bear on new data sources and the best place to navigate unforeseen challenges in preserving the independence of statistical information from political interference This unique collection of essays conceptualizes the U S Federal Statistical System its role reach achievements and vulnerabilities The authors explore challenging issues such as privacy and confidentiality protections data quality and maintaining representativeness Their intriguing discussion also takes up the move from a census and survey data system to a system that increasingly incorporates administrative and digital data the nation s scientific leadership s role as advocates for statistical programs the problems with the scientific methodology sample surveys on which these statistics rest and strengthening the network of statistical agencies and programs Recommendations are offered ranging from how to better organize the system how to protect statistics from political interference how to strengthen their role in science and in the policy process and how to prepare for the challenges of a new information order If federal statistics are the knowledge base from which policy problems and solutions emerge it is imperative that we pay attention to the lessons they offer Never before has this topic received this level of attention from such an array of contributors A must read for all social scientists and policy makers

Families in Context Gene H. Starbuck, Karen Saucier Lundy, 2015-11-17 The most thoroughly updated edition yet this book offers students perspectives of changes in marriage and family over time including the impact of the Great Recession and of new media technologies A hallmark of Families in Context remains the well researched data driven quality of the text Beyond presenting thoroughly updated statistics and literature each chapter examines new trends and assesses their implications for students lives The underlying presentation remains balanced theoretically grounded and accessible to a wide variety of classes allowing students of all ages and family backgrounds to draw their own conclusions about controversial topics Features of the new edition include coverage of the Affordable Care Act new social media and families the latest trends in poverty education social mobility gender identities and healthcare updated In the News features and author created PowerPoint slides

Cultural Sociology of Divorce Robert E. Emery, 2013-02-21 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII s divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history

developmental and clinical psychology and religion all through a lens of cultural sociology Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally Cross References and Further Readings guide readers to additional resources A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics

The Wiley Blackwell Companion to the Sociology of Families Judith Treas, Jacqueline Scott, Martin Richards, 2017-08-14
Written by an international team of experts this comprehensive volume investigates modern day family relationships partnering and parenting set against a backdrop of rapid social economic cultural and technological change Covers a broad range of topics including social inequality parenting practices children s work changing patterns of citizenship multi cultural families and changes in welfare state protection for families Includes many European North American and Asian examples written by a team of experts from across five continents Features coverage of previously neglected groups including immigrant and transnational families as well as families of gays and lesbians Demonstrates how studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Extensively reworked from the original Companion published over a decade ago three quarters of the material is completely new and the remainder has been comprehensively updated *Family Life, Family Law, and Family Justice* Marsha Garrison, 2022-10-28
Family Life Family Law and Family Justice Tying the Knot combines history social science and legal analysis to chart the evolution and interdependence of family life and family law portray current trends in family life explain the pressing policy challenges these trends have produced and analyze the changes in family law that are essential to meeting these challenges The challenges are large and pressing Across the industrialized West nonmarital birth relational stress multi partner fertility and relationship dissolution have increased producing a dramatic rise in single parenthood poverty and childhood risk This concentration of familial and economic risk accelerates socioeconomic inequality and retards intergenerational mobility Although the divide is most pronounced in the United States the same patterns now affect families throughout the Western world Across the European Union there are 9 2 million lone parents and just under half of their families live in poverty Tying the Knot demonstrates how today s family patterns are deeply rooted in long standing class based differences in family life and explains why these class based differences have accelerated It explains how the values that guide family law development inevitably reflect the world in which families live and develops a new family law capable of meeting the needs of twenty first century families The book will be of considerable interest to family specialists from a number of fields including law demography economics history political science public health social policy and sociology *Handbook of the Sociology*

of Sexualities John DeLamater, Rebecca F. Plante, 2015-06-19 This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course These contributions include analyses of the dynamics of several types of contemporary sexual relationships e g short term long term non exclusive and committed Chapters analyze the influence of major social institutions e g religion family and economy on them The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases dating marriage commercial sex work sex education with new and cutting edge materials embodiment Trans asexualities Sections review major theoretical perspectives and the principal research methods Coverage of sexual orientation is integrated throughout This volume provides excellent resources for anyone interested in research on sexualities

Alone Together How Marriage In America Is Changing Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Alone Together How Marriage In America Is Changing free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Alone Together How Marriage In America Is Changing free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Alone Together How Marriage In America Is Changing free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Alone Together How Marriage In America Is Changing. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Alone Together How Marriage In America Is Changing any PDF files. With these platforms, the world of PDF downloads is just a click away.
