Courtroom Competition (First Time Gay Menage Domination and Aphrodisiac Erotica) S M Partlowe,2015-08-07 Ultracompetitive big shot lawyer John Leeson is preparing for the case of his life In one swoop he can impress his powerful older client and show up his arrogant but talented rival in the DA s office But the pressure is reawakening old insecurities and he borrows what he thinks are a friend s anti anxiety pills only to discover they release him from a lot more anxieties and inhibitions than he ever bargained for When the pills backfire and the sharp young professional finds himself suddenly helplessly distracted by thoughts he s always managed to repress he ll have to try to make it through the trial without giving in to increasingly powerful temptations But his act is far from perfect and it isn t long before he s starting to get an entirely different kind of attention from the competitive alpha males he originally thought to awe with his legal savvy and getting as much as he can take Reader Advisory This story is for mature audiences only and features intensely erotic situations first time gay experiences multiple partners anal and rough group sex adrenaline and testosterone charged alpha males the use of potent aphrodisiacs and sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt John he said sounding a little surprised I almost thought you wouldn t show your that cute little face of yours His glittering amber eyes ran over me Maybe you think if you came in looking like this you d distract me But don t worry I can enjoy the view and run circles around your defense all at the same time I flushed in spite of myself but recovered quickly I know you re a creep Lewis You don t have to go out of your way to prove it each time we see each other He grinned Oh but you really have no idea he said low enough that he was sure we wouldn t be overheard That s all I want John a chance to show you just how depraved I can be One night me you and a pair of handcuffs He gestured at my chest Bring those juicy things too if you don t mind I don t know where you usually hide them A pair of handcuffs I asked doing my best to sound amused instead of intrigued I suppose you know you re not man enough to handle me unless you can tie me down He laughed You

misunderstand The handcuffs aren't for anything sexual They're to keep you from chasing after me when I leave Unable to come up with a good response I gave him a sarcastic smile and pushed past him to join the defense table As I went to sit down I realized with a flush of resentful embarrassment that I was a little hard Lewis Dremel had gotten me hard and maybe he had known he was doing it too I forced myself not to look over at his lithe confident form sitting down at the table across the aisle It doesn't matter I told myself One strange little twinge won't stop you from beating him Nothing about his dark handsome face or his suave confidence or the way the image of him standing hungrily over me powerless in handcuffs kept popping into my head none of that would distract me I told myself Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author

They've found the prescription anti anxiety pills his coworker offered him last week and they're going to hold him accountable unless he fesses up to who gave them to him But when the discipline board admits they haven't actually figured out what the mysterious little pills are Jake swallows them on the spot right in front of everyone thinking that without evidence the whole thing will be moot But unfortunately for Jake the pills weren't run of the mill relaxation drugs and the self-conscious young man who was only trying to stay out of trouble finds his mind and body dwelling on long repressed desires and a sex drive that's climbing out of control and right in front of the most powerful men at the company If that weren't enough the advisory board has brought in a medical consult the handsome Dr Patrick's to help discover what the pills contain and he's ready to become intimately familiar with the changes Jake's experiencing and help bring the other men up to speed too Reader Advisory This story is for mature audiences only and features intensely erotic situations a vulnerable younger man and his older alpha male superiors the use of a potent aphrodisiac a highly erotic medical examination multiple partners erotic discipline and spanking group sex anal sex submissiveness and dominance All characters are 18 or older Excerpt The doctor bent down and retrieved a briefcase from by the side of his chair He snapped it open and removed a small notebook I'd like to take your pulse first Jake he said just to get a baseline is that alright Helplessly I nodded He stood and pulled a small end table out into the center of the room from where it had been pushed into a corner He patted its surface Up here if you don't mind Obediently I complied climbing up to perch on the hard surface I felt like I was in an exam room The three men's eyes were intent on me The doctor stepped forward and pressed two strong but gentle fingers to the side of my throat I found myself noticing the fresh masculine scent of his body I had never really noticed a man's smell before unless it was offensive but the I found myself breathing it in with something unexpectedly close to relish My heart was beating sort of fast as he held his hands on me He's nervous he observed understanding rather than accusatory I'm not going to get a reliable rate He took his hand away Do you think you could breathe for me Jake Breathe Deep breaths he encouraged soothingly He placed his hand just below my ribcage with the familiar intimacy of someone who knew the human body and knew how to work with people From your diaphragm like this Just try to relax We're not here because we want to get you in trouble I appreciate that doctor I breathed trying to calm down I could feel his fingers against my skin through the fabric of my shirt Each little breath moved me against his touch I felt a renewed flush rising in my cheeks as he stood with me trying to help me calm down and only making my heart pound all the more Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author
