

AMA Citation Format For Websites

10th Edition

In-text Citation

citing websites AMA, when in-text, does not use classic quoting where author's last name follows publication year.

Authors Last Name¹

each source has only one number assigned to it, no matter how often or in which order it is cited

Jones¹ mentioned in a recent research that...

For sources without page number remember that page numbers always follow after citation personal number!

In Bibliography

Reference page involves all sources in such order as listed or used by Arabic superscript. It means that sources are not listed alphabetically!

It should be noted that all journal titles that are cited in AMA should be abbreviated according to rules of the US National Library of Medicine's Current Fact Sheet.

Author or organization's name. Title of source material. Specify Website's Name, URL,
Published date, Accessed date.

If publication's date is unknown, latest website update and access date are used instead.
