Lemon-Aid New Cars and Trucks 2012 Phil Edmonston, 2011-01-01 Phil Edmonston Canada's automotive Dr Phil pulls no punches He says there's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar and an auto industry offering reduced prices more cash rebates low financing rates bargain leases and free auto maintenance programs In this all new guide he says Audis are beautiful to behold but hell to own biodegradable transmissions rodent snack wiring and mind boggling depreciation Many 2011-12 automobiles have chin to chest head restraints blinding dash reflections and dash gauges that can't be seen in sunlight not to mention painful wind tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that killed its own electric car more than a decade ago You can save 2 000 by cutting freight fees and administrative charges Diesel annual urea fill up scams can cost you 300 including an 80 handling charge for 25 worth of urea Lemon Aid's 2011-12 Endangered Species List the Chinese Volvo the Indian Jaguar and Land Rover the Mercedes Benz Smart Car Mitsubishi and Suzuki

Lemon-Aid New Cars and Trucks 2013 Phil Edmonston, 2012-12-01 Canada's automotive Dr Phil says there's never been a better time to buy a new car or truck For deals on wheels 2013 will be a perfect storm There's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar a worldwide recession driving prices downward and a more competitive Japanese auto industry that's still reeling from a series of natural disasters In addition to lower prices and more choices 2013 car buyers will see more generous cash rebates low financing rates bargain leases and free auto maintenance programs Buy sell or hold Which cars and trucks are wallet friendly and can easily last 15 years Which vehicles offer the most features to best accommodate senior drivers Do ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers Is GM's 2013 Volt electric car destined to become an electric Edsel These questions and more are answered in this informative guide

Learn Spanish News Vol.1 Nik Marcel, LEARN SPANISH NEWS Vol 1 English Spanish THIS EDITION The dual language text has been arranged into sentences and shorter paragraphs for quick and easy cross referencing The source text is the Spanish language edition of Voice of America VOA The Spanish text has been translated into English for this dual language project The reader can choose between four formats Section 1 English to Spanish Section 2 Spanish to English Section 3 English Section 4 Spanish A methodology for getting the most out of this bilingual format is explained in the book's Foreword The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which

you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time If you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows Familiarise yourself with a basic language instruction book or re read the one you have Once a student has studied the basics a suitable book about basic grammar can be helpful The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood After this read through a portion of text in a book called Spanish Sentences by 2LanguageBooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books
