

Animal Book Report

Criteria/Checklist

Due: Wednesday, March 15, 2107

Project Goal: Students will be able to create an informative lapbook about an animal they choose to research. Students will be able to demonstrate their understanding by presenting their project in class.

Common Core State Standards:

Science- 2.LS2-3(MA): Develop and use models to compare how plants and animals depend on their surroundings and other living things to meet their needs in the places they live.

ELA- W.2.2: Write informative/explanatory texts in which they introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.

ELA- W.2.7: Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).

ELA- SL.2.2: Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.

First Steps:

- 1.) Choose an animal you would like to study
- 2.) Use resources to learn about the animal (don't forget to record the names of the resources you use)

You will need:

- Standard size manila file folder (provided by teachers)
- Templates to write the information on (provided by teachers)
- At least 2 different books or other resources to learn about the animal you choose to research.
You must use one book and one additional resource of your choice (ex. Newspaper, magazine, article from the internet)

Helpful Hints:

- There will be an example of the project available for everyone to view on our Grade 2 website <http://kes.sired.org/class/grade-2>
- Preview everything you will have to include in your lapbook **before** you research.
- Take notes while you are researching.

Your animal project should include...

- _____ your full name.
 - _____ your manila folder folded into a lapbook.
 - _____ all of the information pieces pasted onto the lapbook using **glue**.
-

Animal Control Report Writing

**Lynett Henderson Metzger, Laura
Meyer, Lavita Nadkarni**

Animal Control Report Writing:

Animal Control Management Stephen Aronson, 2010 This book is the first of its kind to discuss in detail the actual management of local animal control programs as opposed to the care of the animals It covers financial personnel legal health and safety issues that animal control directors and management staff need to know in providing direction and oversight of animal control programs Chapters examine selected topics in which the author assesses strengths and weaknesses and offers new insights and strategies for more effective management For example the two chapters on contracting discuss the steps in the process strategies and suggested provisions in the written agreement to make the program more effective The animal law chapters explain the basis for the laws and highlight those provisions that if enacted into law can strengthen enforcement options In addition the author discusses and assesses interacting with the public and the media liability issues wildlife problems and the politics of animal control

Report of the Chief of the Bureau of Animal Industry, United States Department of Agriculture United States. Bureau of Animal Industry, 1893 **Working with Animals** Animal Jobs Direct, 2011 The Working with Animals publication is a unique and comprehensive resource designed to assist and inspire anyone who wants to work with animals Whether you are a school leaver or a professional looking for a career change this book will help you achieve your goal Compiled by a team of animal care professionals the information is concise and in one place This is a great purchase that will help you find a suitable and rewarding career with animals according to your skills experience and personal interests

Police Officer's Handbook Robert Stering, 2005 Law Enforcement Policing Security *Annual Report of the Bureau of Animal Industry ...* United States. Bureau of Animal Industry, 1893 *Animal*

Maltreatment Evaluation Basics for Mental Health Practitioners, Students, and Educators Lynett Henderson Metzger, Laura Meyer, Lavita Nadkarni, 2022-07-19 This book provides a brief introduction to the growing field of animal maltreatment evaluation and treatment with a special emphasis on clinical training from a forensic psychology perspective Geared toward mental health practitioners students and educators this broad overview focuses on foundational legal concepts applications in clinical and psycholegal settings and emerging perspectives on effective evaluation and treatment The authors provide practical guidance around real world scenarios through the use of clinical case vignettes highlighting the complexities and need for culturally and psychologically informed care in these cases Key topics include forensic animal maltreatment evaluations or FAMEs implications for best practices challenges for providers trainees and supervisors and future directions for the field

Animals as Crime Victims Lacey Levitt, David B. Rosengard, Jessica Rubin, 2024-02-12 This innovative and prescient book offers a multidisciplinary framework which reconceptualizes maltreated animals as crime victims Articulating more active and involved responses to animal maltreatment *Animals as Crime Victims* provides guidance to attorneys law enforcement personnel veterinarians and educators by reimagining how animals are positioned within the law

Investigating Animal Abuse Crime Scenes Virginia M. Maxwell, Martha Smith-Blackmore, 2023-07-18 Animal abuse is

well established as a gateway crime linked to other forms of antisocial behaviors and broader criminal violence Increased awareness of the link between animal abuse and criminal behavior has led many states to mandate cross reporting between agencies overseeing the welfare of families and of animals Investigating Animal Abuse Crime Scenes A Field Guide is designed for first responders such as animal control officers and police officers as well as forensic scientists and other criminal justice professionals who are tasked with processing and analyzing animal crime scenes and evidence The book serves equally as a useful resource for those in the field and laboratory in addition to those professionals who are further along in the investigative and judicial process The book addresses the key areas that must be considered in a thorough investigation of an animal abuse crime This starts with general crime scene procedures that include securing and releasing the scene search and seizure issues chain of custody documentation searching for evidence and the use of enhancement technologies While many readers may already be familiar with such concepts they are addressed in the context of unique factors relating to animals and animal abuse cases The book then addresses the recognition collection and preservation of different types of evidence that may be located at animal abuse scenes with examples of the most important evidence for specific case types The critical role of the veterinarian and the key aspects of veterinary forensic medicine receives in depth consideration This includes issues such as examining animal victims of crime determining cause of injury or death through the forensic clinical exam or necropsy and techniques for evidence documentation collection and preservation The physical and emotional abuse of animals is outlined throughout a series of chapters focused on specific types of animal abuse Finally report writing and testimony from the perspectives of both the crime scene investigator and forensic veterinarian are addressed Further three appendices provide useful checklists and templates for all animal abuse crime scene responders and veterinarians Investigating Animal Abuse Crime Scenes fills the growing need for a handy comprehensive field reference that specifically focuses on the crime scene processing investigation analysis of evidence and the subsequent adjudication of animal abuse cases within the court system Police Officer Exam For Dummies Raymond Foster, Tracey Vasil

Biscontini, 2011-01-13 Your ticket to a higher score on the police officer exam Police exams are becoming increasingly difficult to pass as law enforcement agencies are looking for the most capable officers from the candidate application pool To help select the most qualified candidate more than half of the departments and agencies throughout the country are following the current trend of using the National Police Officer Selection Test POST also referred to as NPOST Police Officer Exam For Dummies features three POST exams based on the official test plus one New York City NYC exam If you're a prospective police officer who needs to take the written exam Police Officer Exam For Dummies gives you all the essential test preparation you need to succeed Packed with study advice and test taking tips you'll get targeted instruction on everything you can expect on the actual exam Targeted review in judgment map reading memory observation and recall skills Coverage of all key subject areas 4 full length practice officer exams with answers and detailed explanations Whether you're

taking the local county state or federal agency exam this guide contains everything you need to score your highest on the exam and realize your dream of becoming a police officer **Presenting Toxicology Results** G. J. Nohynek, 2017-08-25
