An Obsession with Anne Frank Lawrence Graver,2023-11-10 Anne Frank s Diary has been acclaimed throughout the world as an indelible portrait of a gifted girl and as a remarkable document of the Holocaust For Meyer Levin the respected writer who helped bring the Diary to an American audience the Jewish girl s moving story became a thirty year obsession that altered his life and brought him heartbreaking

sorrow Lawrence Graver's fascinating account of Meyer Levin's ordeal is a story within a story What began as a warm collaboration between Levin and Anne's father Otto Frank turned into a notorious dispute that lasted several decades and included litigation and public scandal Behind this story is another one man's struggle with himself as a Jew and as a writer in postwar America Looming over both stories is the shadow of the Holocaust and its persistent complex presence in our lives Graver's book is based on hundreds of unpublished documents and on interviews with some of the Levin Frank controversy's major participants It illuminates important areas of American culture publishing law religion politics and the popular media The Red Scare anti McCarthyism and the commercial imperatives of Broadway are all players in this book along with the assimilationist mood among many Jews and the simplistic pieties of American society in the 1950s Graver also examines the different and often conflicting ways that people the world over Jewish and Gentile wanted Anne Frank and her much loved book to be represented That her afterlife has in extraordinary ways taken on the shape and implications of myth makes Graver's story and Meyer Levin's even more compelling This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 [Vertical File Index](#),1996 **The Forties** Mary Ellen Sterling,1996 **Reading the Contemporary Author** Alison Gibbons,Elizabeth King,2023-12 Reading the Contemporary Author brings together leading scholars in cultural theory literary criticism stylistics narratology comparative literature and autobiography studies to interrogate how we read the contemporary author in public and cultural life in life writing and in literature **Teaching Global History** Alan J.
