*Amazon's Dirty Little Secrets* Greg Jameson, 2014-08-01 Many people believe that Amazon's success is the direct result of a strong user shopping experience. This, however, is only part of the reason why Amazon is the number one ecommerce company in the world for almost two decades. The real reason behind Amazon's success is that they have mastered the art of getting other people to market and sell for them. From affiliate partners that drive traffic to online reviews and ratings where customers tell other customers why they should buy a product to getting free publicity from shows like Oprah or 60 Minutes, Amazon is the online company to emulate. Amazon's Dirty Little Secrets will show you how you can accomplish this for your company. Amazon's Dirty Little Secret is getting others to do their marketing and sales for them. This is so powerful that Greg created an acronym using the word POWER: P Plenty of traffic, O Offer something for free, W Win their trust, E Engaging experience, R Request an action. Additional tips and secrets. Anyone engaged in Internet sales and marketing will benefit from the specific examples in this book.

*Mom Blogging For Dummies* Wendy Piersall, 2011-06-28 Ready to start your Mom blog or enhance your existing one? This book is for you. The population of mom bloggers is growing at a stunning pace and they boast an audience of more than 23 million women reading, posting or commenting on blogs every week. This fun and friendly guide targets moms who are looking to become a savvy blogger, build a personal brand, earn free products to review or give away or make some extra cash through ad revenue. Named by Nielsen as one of the most influential moms online, author Wendy Piersall helps you determine the right business model for your blog and then create a professional in-demand personal brand. Serves as a road map for the growing population of moms who are interested in creating a blog or enhancing an existing blog. Explains how to define a business model, understand your reader demographics and choose the right look and feel for your blog. Addresses delicate issues such as dealing with privacy and family members who don't want to be featured on your blog. Walks you through using social media to extend your personal brand, building traffic with SEO and blog networks and having a plan and policies in place when big brands and media come calling. Offers a very unintimidating format as well as the usual fun and friendly For Dummies approach. This beginner guide presents baby steps for breaking into the often daunting mom blogging community with practical advice on how to join and become an accepted member of this exciting world.
