Hildebrand, 1995-07-24 With the conclusion of the Civil War the beginnings of Reconstruction and the realities of emancipation former slaves were confronted with the possibility of freedom and with it a new way of life In *The Times Were Strange and Stirring* Reginald F Hildebrand examines the role of the Methodist Church in

the process of emancipation and in shaping a new world at a unique moment in American African American and Methodist history Hildebrand explores the ideas and ideals of missionaries from several branches of Methodism the African Methodist Episcopal Church the Colored Methodist Episcopal Church and the northern based Methodist Episcopal Church and the significant and highly charged battle waged between them over the challenge and meaning of freedom He traces the various strategies and goals pursued by these competing visions and develops a typology of some of the ways in which emancipation was approached and understood Focusing on individual church leaders such as Lucius H Holsey Richard Harvey Cain and Gilbert Haven and with the benefit of extensive research in church archives and newspapers Hildebrand tells the dramatic and sometimes moving story of how missionaries labored to organize their denominations in the black South and of how they were overwhelmed at times by the struggles of freedom

Singing through Struggle Carolynne Hitter Brown, 2025-04-21 Singing through Struggle Music Worship and Identity in Postemancipation Black Churches offers an innovative look at the vital role music and worship played in nurturing Black citizenship and identity during the Reconstruction era In such border cities as Baltimore Washington DC and Philadelphia the church was where newly emancipated migrants and members of the free Black community merged identities priorities and experiences through a process of cultural negotiation Music as a sign of Black achievement and as a genuine expression of identity produced both bastions and battlegrounds in the fight for democracy The music of Black churchgoers singing together in sanctuaries as well as in homes schools and outdoors expressed resistance to uplift ideologies within and to white supremacy without Even while using hymns and music of the European sacred tradition members infused the songs they chose with new meanings relevant to their evolving concerns and situations Drawing on fresh archival sources Singing through Struggle sheds light on the unexplored gap in the study of African American religious music between slavery and the Great Migration demonstrating the continuous stream of Black creativity and dignity that existed in religious music making between gospel music and the spirituals This close up investigation of three Black congregations draws out previously forgotten stories of men and women who understood church music as key to shaping a collective purpose and civic identity Their stories demonstrate how faith music and ritual gave the Black community means for exploring a deeply complex and ever changing reality

The Church of England **sunday school quarterly magazine** ,1860 [The Sunday-school Times](#) ,1887 **A Word that Sets Free** Mark Ellingsen, 2000 Inspired by the heritage of African American churches Mark Ellingsen has created innovative visionary sermons on Old Testament texts from the Revised Common Lectionary His messages reflect his unique vantage point as a Lutheran of Norwegian heritage teaching at a historically black seminary and they are a model for anyone who wants to learn how to relate the Bible to the cutting edge social issues of our day Ellingsen suggests that many American Christians have

abdicated their responsibility to advocate justice in our society or to talk about what the gospel can do in our lives and society as a whole from Monday through Saturday Ellingsen believes these Old Testament texts are relevant to our contemporary lives An all too common view of many Christians is look to the New Testament to find the liberating word of God while viewing the Old Testament as being about the law and the confining demands of tradition But Ellingsen says that the history of Christianity proves this is not true He observes that Martin Luther was primarily an Old Testament scholar and that African American churches have based many of their traditions of liberation on Old Testament stories and prophetic traditions Mark Ellingsen s offering of sermons based on Old Testament texts reflects his usual thorough biblical scholarship and his readable down to earth style that consistently render his material useful to both scholars and those seeking the inspiration of a faithful Christian Richard H Stough Publisher King Publications Mark Ellingsen has had a rich and varied career as a parish pastor and a seminary professor In addition to serving several Lutheran congregations in Pennsylvania and North Carolina he has held teaching positions at Luther Northwestern Seminary and the Institute for Ecumenical Research in Strasbourg France Ellingsen currently is on the faculty of the Interdenominational Theological Center in Atlanta the largest historic African American seminary in the United States A regular contributor to several homiletics periodicals Ellingsen is also the author of ten books some of which have been used as homiletics texts in many American and Canadian seminaries
