marketability and success **Fitness Mosaics** Mark R. Hailey, 2011-11-20 Mark R Hailey's collection of magazine and blog articles comes together in one book entitled **Fitness Mosaics**. Mark takes a unique entertaining and informative approach to a number of health and fitness topics. You get a better understanding of metabolism when he compares the inner workings of the human body to the inner workings of a car. You discover your inner Cro Magnon by understanding through evolution that you are genetically programmed to succeed in fitness. While on a trip to visit a friend in Riga, Latvia, he writes about Eastern European fitness habits and how they practice what we preach. He talks about stumbling into the world of Yoga and writes a for men only article on how they too can reap the benefits of Yoga all while keeping their male egos intact. These and other articles give you a better perspective on fitness and help empower you to make the changes you desire. Like the title indicates, **Fitness Mosaics** is a compilation of articles that creates an overall fitness picture.

Sustainable Weight Loss D. Lee Waller JD ND, 2011-05-09 **Sustainable Weight Loss** was named an Award Winning Finalist in the Health Diet Weight Loss category of The USA Best Books 2011 Awards sponsored by USA Book News. **Sustainable Weight Loss** provides a road map to long term weight loss that is simple and offers easy to understand principles. Gain the personal control needed to break the shackles that inhibit the ability to achieve weight loss goals. Some diet experts advocate counting calories each time we prepare to eat. This kind of complexity is one of the reasons many people fail with diets. One size fits all approaches are only a small part of the overall diet problem. These concepts are of vital importance to weight loss success. **Weight Control Good Health** Weight control and good health go hand in hand. **Goal Setting** The importance of good goal setting and sound implementation of your plan cannot be overstated. **Lifestyle Changes** Good weight management cannot be accomplished without some basic lifestyle changes. **Caloric Balancing** The hallmark of good weight management is a balance between calories consumed and calories burned. **Reasonable vs Perfect Body** We must take an honest look at ourselves and our own personal traits to determine what body size and shape is reasonable for us. Come to grips with the basic requirements of weight control and find ways to apply them in your own life. **Lose the weight you want to lose and sustain that weight loss for good**
