Sam Smith's Great American Political Repair Manual Sam Smith, 1997 Explores the independent journalist's views on the environment the economy education democracy American cities and the legal system Across the Great Divide Wayne Karol, 2004-10-13 Praise for Wayne Karol's *The Sixties as Science Fiction* An Appreciation of Paul Kantner Easily the best thing I've ever seen written on him and his music and what it all means Jeff Tamarkin author of *Got A Revolution* The Turbulent Flight of Jefferson Airplane One of the finest pieces of writing about music and society that it's been my pleasure to read Bill Parry co editor *Holding Together The Sixties* were such a long time ago why can't America seem to stop re-fighting the battles we fought then Why are we still so bitterly divided Why does so much of what's happening now seem like weird repetitions of the past from the Monica Lewinsky scandal and Watergate to Iraq and Vietnam In *Across the Great Divide* Wayne Karol offers an original and insightful perspective on how we ended up in this mess and what we might be able to do about it It's his duty as a baby boomer to hope that it will change the world **Civic Self-respect** Ralph Nader, 2025-04-15 An inspiring exploration of democracy that separates the concept of a citizen into various roles providing a clarifying mission to all who read this call to action and civic participation In this concise volume Ralph Nader our trusted voice on corporate power and civic resistance goes right to the most basic taproots of an aspiring democracy its people and their roles in creating and sustaining community These roles including citizen voter worker taxpayer consumer and parent contribute to civic self respect and one's own significance in society As federal judge Learned Hand said in 1944 during a famous brief speech at Central Park New York City neither the laws the courts or other related institutions can be saved without the underlying exercise of the democratic spirit by the people *Civic Self Respect* argues the importance to recognize the centrality in the development of a civic personality as distinguished from a private personality with the two co-existing for a moral life participating in the common good As Nader's mother said when her friends would wonder how she could be raising four children and still have so much time for community engagements What's the difference One depends on each other the family and the community This book argues for how important it is for our educational system to teach the essentials of civic responsibility beyond its occupational or technical emphasis because the emergence of such a public minded personality is so essential for understanding the world and shaping civil societies Going Local Michael Shuman, 2013-06-17 National drug chains squeeze local pharmacies out of business while corporate downsizing ships jobs overseas All across America communities large and small are losing control of their economies to outside interests *Going Local* shows how some cities and towns are fighting back Refusing to be overcome by Wal Marts and layoffs they are taking over abandoned factories switching to local produce and manufactured goods and pushing banks to loan money to local citizens Shuman details how dozens of communities are recapturing their own economies with these new strategies investing not in outsiders but in locally owned businesses *The Last of the Black Emperors* Jonetta Rose Barras, 1998 Offering a
