1. Explain the relationship of tourism and hospitality.

Tourism involves the travel of the tourist and arrange their travel while hospitality provide what the customer needs, like accommodation, food, leisure and other services. Tourism provide income to the hospitality industry that's why without tourism there will no income to the hospitality and tourism sectors, on the other hand without the good service that the hospitality industry provide to the tourist there will be no tourism. Because it is the service quality that make tourist come in that specific place.

2. Discuss the importance of tourism and hospitality

Tourism and hospitality provide money to the economy of a country. The more the tourist spent for their vacation or stay can generate a larger income to the country that can benefit the society. Without tourism and hospitality there will be less income that can cause unemployment and poverty to the people. Tourism and hospitality plays an important role in our daily life they are the one who provide services that we need, food, temporary shelter and others, it also provide jobs to people, the people that are making the services we need. And that is the importance of tourism and hospitality in the economy of a society.

3. Explain the contributions of the Sumerians to the development of hospitality industry.

Sumerians play a big role in the development of hospitality industry because of their inventions hospitality industry come to life, the Sumerians wheel and money helps them to travel and search for something that will satisfy their needs. This makes people to establish more and create something that will provide the travellers' need.
