AMC 10 A

November 10, 2000

The official solutions provide correct answers to each problem in the AMC 10 A and are intended to help students understand the problems and to provide them with alternative methods of solution. These solutions are not intended to be a substitute for the official solutions provided by the AMC.

Students are encouraged to check solutions problems and discuss them with their teachers and other students. The problems should be solved in the order in which they are presented. Some problems may be solved in a different order. The solutions are intended to be a guide to the solutions and are not intended to be a substitute for the official solutions provided by the AMC.
