David McCullough American History E-book Box Set David McCullough, 2011-05-24 A special ebook boxed set from Pulitzer Prize winning author David McCullough featuring four books on American history This ebook box set includes the following American History themed books by David McCullough John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation's founders and most important figures who became our second president 1776 is the riveting story of George Washington the men who marched with him and their British foes in the momentous year of American independence Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea This set also contains a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages *The American War in Vietnam* John Marciano, 2016-08 Cover The American War in Vietnam Title Copyright Contents Acknowledgments Introduction The Commemoration Story 1 The Noble Cause Principle and the Actual History 2 French Colonialism and the Origins of the American War in Vietnam 3 The Diem Regime and President John F Kennedy 4 President Johnson and Escalation of the War 5 President Nixon Vietnamization and the End of the War 6 Some Lessons and Myths of the American War in Vietnam Notes Bibliography Index **A History of American Law, Revised Edition** Lawrence M. Friedman, 2010-06-15 A History of American Law has become a classic for students of law American history and sociology across the country In this brilliant and immensely readable book Lawrence M Friedman tells the whole fascinating story of American law from its beginnings in the colonies to the present day By showing how close the life of the law is to the economic and political life of the country he makes a complex subject understandable and engrossing A History of American Law presents the achievements and failures of the American legal system in the context of America's commercial and working world family practices and attitudes toward property slavery government crime and justice Now Professor Friedman has completely revised and enlarged his landmark work incorporating a great deal of new material The book contains newly expanded notes a bibliography and a bibliographical essay **The American Catalog**, 1891 *The Statesman's Year-Book 1977-78* J. Paxton, 2016-12-22 The classic reference work that provides annually updated information on the countries of the world *An American Health Dilemma* W. Michael Byrd, Linda A. Clayton, 2001-12-21 First published in 2002 An American Health Dilemma is the story of medicine in the United States from the perspective of people who were consistently officially mistreated abused or neglected by the Western medical tradition and the US health care system It is also the compelling story of African Americans fighting to participate fully in the health care professions in the face of racism and the increased power of health corporations and HMOs This tour de force of

research on the relationship between race medicine and health care in the United States is an extraordinary achievement by two of the leading lights in the field of public health Ten years out it is finally updated with a new third volume taking the story up to the present and beyond remaining the premiere and only reference on black public health and the history of African American medicine on the market today No one who is concerned with American race relations with access to and quality of health care or with justice and equality for humankind can afford to miss this powerful resource **Report** United States. Congress. House, Hearings, Reports and Prints of the House Committee on Foreign Affairs United States. Congress. House. Committee on Foreign Affairs (1789-1975), *Staff Memorandum on United States Investment of Military Assistance Funds in Military Installations Located in France* United States. Congress. House. Committee on Foreign Affairs, 1967 *The Future of United States Public Diplomacy* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Organizations and Movements, 1969 The American Catalogue, 1881 American national trade bibliography **Guide to the Study of American History** Edward Channing, 1896 The Statesman's Year-Book 1972-73 J. Paxton, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world The Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA **A Brief History of History** Jeremy Black, 2023-08-22 In A Brief History of History acclaimed historian Jeremy Black seeks to reinvigorate and redefine our ideas about history The stories we tell about the past are a crucial aspect of all cultures However while the traditional storytelling process what we think of as history in the proper sense is useful it is also misleading not least because it leads to the repetition of bias and misinformation Black suggests that the conventional idea of history and historians is constructed too narrowly as it fails to engage with the broad nature of lived experience By focusing on a singular idea or story within the history being explored we fail to understand the interconnectivity of the everyday experience A Brief History of History challenges accepted norms of the historical perspective and offers a view of human history that will surprise many and perhaps infuriate some But above all it is a history of historians written for this moment in time a time when the traditional Eurocentric approach to history now appears wholly inappropriate **The Statesman's**

Year-Book 1978-79 J. Paxton,2016-12-26 The classic reference work that provides annually updated information on the countries of the world A Critical Dictionary of English Literature, and British and American Authors Samuel Austin Allibone,1871 **Critical Dictionary of English Literature, and British and American Authors, Living and**
