A. **Walter Dill** (English colonists) wrote about the order and chaos of government in colonial England and of the colonies, the latter than (disorderly) and the system of government was **more** orderly.

1. **English**, **Colonists**, customs and administrative laws (British lawmakers are important contributors to the founding principles and development of the United States).

2. The principle that a government system should absolutely derive from the Magna Carta, which the English people have long regarded as a guarantee of **English**, **government**.

3. The English **Bill of Rights** and other documents that increasingly and ultimately established the concept applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguishes itself by the people, was a familiar example of **representative** government, but they criticized it.

6. Thomas Hobbes developed the **Social Contract** theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural rights** as human beings and a government that failed to protect them has no right to enforce legitimacy.

8. John Locke believed in **life**, **liberty**, **property**, believed that people rights and responsibilities depend on people as a community, especially conceived as social contract the people's rights include controlling law and government.

9. Charles-Louis de Montesquieu suggested **separation** the powers of government.

10. **Walter Dill** said that the colonies had the same government structure.
