determination democratic socialism labor rights women s rights and indigenous rights By placing the temperance movement in a deep global context he forces us to fundamentally rethink all that we think we know about the movement Rather than a motley collection of puritanical American evangelicals the global temperance movement advocated communal self protection against the corrupt and predatory liquor machine that had become exceedingly rich off the misery and addictions of the poor around the world from the slums of South Asia to central Europe to the Indian reservations of the American west Unlike many traditional dry histories Smashing the Liquor Machine gives voice to minority and subaltern figures who resisted the global liquor industry and further highlights that the impulses that led to the temperance movement were far more progressive and variegated than American readers have been led to believe
