that connects the rise of film to the rise of America as a cultural center and world power in the twentieth century Cohen  
argues that through the medium of silent film America was able to sever its literary and linguistic ties to Europe assert its  
cultural independence and forge a unique form of cultural expression Silent films drew on elements developed in popular  
forms of representation like photography landscape panoramas and vaudeville performance to create a medium that more  
accurately represented the American experience      **English Solved Papers (2023-24 UGC NTA NET/SLET/JRF )** YCT
