Midgley,2010-12-03 The Innovation Manual provides a solution to the problems faced by those at the forefront of innovation
It takes you through the seven topics that have the highest impact on the success of value innovation be this innovation a
new product a new service or a new business model The seven topics are Creating advantage in the minds of many
Chartering innovation within the organization Preparing developing and supporting the right team Placing customers at the
centre of innovation Changing the organization to deliver the innovation Motivating the right partners and sharing the
returns Building momentum in the market Each topic is linked to an organized toolkit that allows managers to apply this
knowledge immediately The tools sit within an overall framework to show how they build on and reinforce one another Along
with this the book guides busy managers on applying the tools properly detailing the relevance of each for specific industries
