Institute of Library Research, University of California, Berkeley, 1972 Guide to Reference Books Robert Balay, Eugene Paul Sheehy, 1992 The 10th edition of the Guide 1986 is one of a small core of references essential to the day to day operations of Reference and Research Book News it was enthusiastically reviewed in our May 1987 issue and we trust to librarians and researchers everywhere This Supplement the only one to the 10th edition lists 4 668 titles that cover reference publishing from the end of December 1984 through the end of 1990 As in prior editions the focus continues to be on reference works for scholarly research but representative works intended for general reference are included as well Member price 76 50 Annotation copyright by Book News Inc Portland OR **Sex & Secrets** Judith A. Allen, 1990 This book is both a detailed study of criminal acts involving Australian women since 1880 and a feminist analysis of their social and political significance Based on previously unpublished archival documents including court reports coroners reports and those of prisons and child welfare organizations Allen's findings show that infanticide prostitution and sexual and other assaults involving women have been much more prevalent than generally believed Contending that this lack of official attention is due to the crimes connection with the sexual relationships between men and women Allen demonstrates that such a false perception of their incidence has disguised their significance in the processes of social change that have occurred over the last century This study will be of particular value for courses in women's studies criminology and the sociology of law and of gender Bibliographic Guide to Music New York Public Library.
