

FAR 2023 AICPA Released Questions and Answers

1. Materiality and relevance are both defined by

a. What influences or makes a difference to a decision maker.

b. Quantitative criteria set by the Financial Accounting Standards Board.

c. The consistency in the application of methods over time.

d. The perceived benefits to be denied that exceed the

perceived costs associated with it. - ANSWER 1. (a) What influences or makes a difference to a decision marker.

The requirement is to determine what defines materiality and relevance. Answer (a) is correct. Relevant information is capable of making a difference in a user's decision. Materiality is entity specific and related to relevance—if omitting it or misstating it could influence a user's decision. Therefore, materiality and relevance are defined by what influences or makes a difference to a decision maker.

2. According to the FASB conceptual framework, for financial reporting to be useful, it must

a. Be in accordance with generally accepted accounting principles.

b. Provide information useful for making business and investment decisions.
