NATIONAL BESTSELLER Six years after their cousin vanished from their home while they were sleeping two sisters set out to learn the truth behind what happened even if it puts their own lives in danger in this haunting thriller from the internationally bestselling author of What s Done in Darkness Beautifully written unflinchingly told and relentlessly suspenseful Heather Gudenkauf author of The Overnight Guest In a town no one ever leaves there are only so many places to hide As kids Amelia and Kylee were found unharmed in their upstairs bedroom the night their teenage cousin Grace who was babysitting them vanished from the farmhouse in Beaumont Missouri leaving blood all over the kitchen Scrappy and driven Grace the first in their family to go to college instead of getting married and working at the meatpacking plant had been on the verge of escaping their dead end town Her disappearance is a warning to any local girl who dared hope for better Now as their own high school graduation looms Amelia and Kylee dream about fleeing Beaumont but the likelihood of that happening seems as low as that of Grace being found When human remains are discovered in town the sisters think they finally know

who took Grace but as they dig deeper into her past they unearth long buried secrets and a growing list of suspects Amelia and Kylee vow to find Grace dead or alive But as they draw closer to the truth and slip further into danger they question how far someone would go to put a woman in her place or to cover up a crime The answer is worse than they could have imagined and in the end it won't just be Grace they're trying to save they'll have to fight for their lives Louisiana Coffee ... with Lots of Cream Betty J. Reynolds, 2007-09-04 Louisiana Coffeewith lots of cream is Dr Betty Reynolds fifth book to be published Not surprisingly this book is not about coffee nor is it about cream Instead it is a delightful medley of intriguing tales covering four generations of a New Orleans Creole family Since Creole usually denotes a mixing of bloods the color of their skin can be as varied as the color of ones coffee ranging from dark dark chocolate to the lightest of rich cream This fictional memoir appropriately starts a hundred years ago in New Orleans the home of the family matriarch Bertha Mayberry Berthas story is a mysterious one that she preferred to be kept locked among other family secrets She was particularly sensitive about having to reveal her misfortune of being trapped in a bordello when she first arrived in New Orleans as a young girl Her romantic rescue ended in tragedy but she did transcend in the end and married a popular Black jazz musician named William Sweetwater Lewis Together they gained respectability by working hard and providing their five daughters with a good education a passion for music and a young life filled with parties and gala events in a city that was known for them Berthas children as well as her childrens children follow their own paths in choosing where and how they will live out their lives Their accounts of triumphs and mishaps take you on a fascinating journey to experience the mysteries of black magic in the Louisiana swamps a numbers racket in Detroit and the casinos in Las Vegas when the mob was in control Some leave the safety of their ancestral home on Bourbon Street to carve out new lives in other far away places such as the Jersey Shores Philadelphia or New York Whatever their destination each member of the Lewis clan brings to the saga an interesting storyline that shares his or her unique motivations desires and actions that sometimes lead to less than favorable consequences Louisiana Coffee is meant to inform rather than to alarm It is a tell all fiction that might open some eyes as to what goes on in a different world on the other side of the cultural divide
