Words and Music by Adele Adkins, Philip Lawrence, Bruno Mars and Chris Brown

$\text{♩} = 142$

arr. Jenna Suddreth

The first system of musical notation for 'All I Ask' is in 4/4 time with a key signature of two sharps (F# and C#). It consists of a vocal line and a piano accompaniment. The vocal line begins with a whole rest, followed by a repeat sign, and then continues with a series of eighth notes. The piano accompaniment features a steady eighth-note pattern in the right hand and a bass line with half notes and whole notes in the left hand.

The second system of musical notation continues the song. The vocal line includes the lyrics: "1. I will leave, my heart at the door, I won't" and "2. I don't need your hon - es ty, it's al-read-y in". The piano accompaniment maintains the same rhythmic pattern as the first system.

The third system of musical notation concludes the piece. The vocal line includes the lyrics: "say your a word, eyes" and "they've all been said, be - fore" and "and I'm sure my eyes, they". The piano accompaniment continues with the same rhythmic pattern.

Congress. House. Committee on Patents,1924 **A Long Walk South** Bradley Herrick,2024-05-18 There s something to be said about being average It s not a bad thing but it isn t necessarily great either After growing up in suburban New England following the social norms and reluctantly falling into the average category in just about everything Brad Herrick wasn t quite ready to take on the average adult lifestyle yet With the light shining bright at the end of the college tunnel Brad finds himself with the opportunity of a lifetime after he made a joke comment to his dad a chance to hike the infamous Appalachian Trail The conversation went something like this Brad I don t want to grow up yet I ll just go and hike the Appalachian Trail Dad Okay Do it Brad Wait what Follow Brad as he tries to conquer the extraordinary as he walks almost 2 200 miles from Katahdin in Maine through fourteen states to Springer Mountain in Georgia As his average life slowly takes a back seat it s gradually replaced with exciting funny and ridiculous adventures both on and off the trail with friends old and new It s a trail of discovery as Brad finds perseverance adventure an expanded world view a love of food and reading the proper use of diaper rash cream and the journey out of the average category A Place for T Robert H. Lengel,2023-01-17 Dr Lengel offers a thought provoking twist on Aesop s Hare Tortoise fable reframing it as a Human Race pitting our Hare brained heads against our Tortoise inspired hearts As we run faster and faster in our Hare like pursuits of wealth power and status we are leaving no place for the slow and steady Tortoise to speak for our humanity As a result the author poses the possibility we are creating a world with our intellects and technology that we can t relate to emotionally and spiritually We might be outrunning our humanity and setting the stage for the Hare to win this human race by default Our inability to engage each other in civil and respectful conversations the hate and violence infecting our culture and leadership failures in organizations might be evidence this sinister end is fast approaching This book is a hard hitting and at times poetic invitation to step back from our busy lives sit with the author on his front porch and question our lives and work It is an inspirational reminder of Mahatma Gandhi s warning that there is more to life than simply increasing its speed In a conversational format Dr Lengel

guides us down a hopeful path forward a path illuminated by what he calls divergent thinking His words are a siren call to wake up and realize we can t afford Hare brained progress at the cost of our souls We need A Place for T in our lives now to account for the unaccountable while we still have time
