And Even Now:

Even Now Kimberly Sellers, 2022-11-23 *Even Now* is a book about faith and holding onto hope that things all work out for good. The road of faith is indeed a tough road to walk and some people have no faith at all. Others have it but somehow lose it along the way. This book encourages those who feel all hope is lost, giving them a fresh new start on life and all of its possibilities through the power of believing it can be done. The author knows there is someone who simply thirsts for positive change in their lives but can't get off the hamster wheel of unbelief. The author through simple words of encouragement backed by biblical reference shows her audience that believing is power in itself. Her words are easily interpreted without overuse of extreme jargon and convey to those seeking better in their lives that there is a way to live joyfully and with hope for the new day ahead. The promises that are made to us by God are the principles for which we stand strong and this book personifies those principles. Hope is a powerful four letter word and it's given to us by the Word of God. This book gives us hope that better is on the horizon when we trust and believe it to be done. The author has granted us a peek inside God's gentle and humble heart and encourages the reader to try Him for themselves. Life can be hard to endure for many people but this book provides a road map that leads to the One who can provide hope in the middle of despair, peace in the middle of a storm and a solid foundation where the ground you stand upon feels unstable. Take the opportunity to read this book and take the challenge to start your journey with faith in God to do the things that seem impossible. See what a difference it can make in your life.

Even Now Karen Kingsbury, 2010-05-21 Sometimes hope for the future is found in the ashes of yesterday. Shane Galanter a man ready to put down roots after years of searching. But is he making the right choice? Or is there a woman somewhere who even now remembers as does he those long ago days and a love that hasn't faded with time. Lauren Gibbs a successful international war correspondent who gave up on happily ever after years ago when it was ripped away from her. Since then she's never looked back. So how come she can't put to rest the one question that haunts her? Why is life so empty? Emily Anderson a college freshman raised by her grandparents who's about to take her first internship as a journalist. But before she can move ahead she discovers a love story whose tragic ending came with her birth. As a result she is drawn to look back and search out the mother she's never met. A young woman seeking answers to her heart's deep questions. A man and woman separated by lies and long years who have never forgotten each other. With hallmark tenderness and power Karen Kingsbury weaves a tapestry of lives, losses, love and faith and the miracle of resurrection.
