songs have been covered by scores of artists from Johnny Cash and Miranda Lambert to Bette Midler and 10 000 Maniacs and have influenced everyone from Roger McGuinn to Kacey Musgraves Hailed in his early years as the new Dylan Prine still counts Bob Dylan among his most enthusiastic fans In John Prine Eddie Huffman traces the long arc of Prine s musical career beginning with his early seemingly effortless successes which led paradoxically not to stardom but to a rich and varied career writing songs that other people have made famous He recounts the stories many of them humorous behind Prine s best known songs and discusses all of Prine s albums as he explores the brilliant records and the ill advised side trips the underappreciated gems and the hard earned comebacks that led Prine to found his own successful record label Oh Boy Records This thorough entertaining treatment gives John Prine his due as one of the most influential songwriters of his generation
