742 Heart-Warming Poems, 1982-11 *Angel Heart* J.E. Taylor, 2018-05-29 I have no memory of my life beyond waking in a hospital room They tell me my name is CJ Ryan and I have been in a coma for a little over two years Apparently it's a medical miracle that I am even alive much less awake and coherent I have no idea what they are running on about My stutter is hardly articulate and it makes communicating a real bitch But the media loves it the story of the coma boy wakes I'm thrust into the forefront of the headlines The push into the spotlight shines a harsh glare on my family and brings with it a plague of horrors that drag me to the edge With each supernatural encounter another power is revealed and I have no idea what the hell I am or how to control this raging magic inside me I need answers and I turn to my brother but he isn't talking No one is Because every time I get close to glimpsing my past my brain shuts down violently causing me seizures Seizures that could kill me When an enemy with a psychotic history reenters our lives it will take more
