book or maybe it's a refresher as to what happened at the end of the first book I think I really like Gwendoline Geo and Luthias grandmother a lot She's a card When an old woman tells you that you do not have to pick between two men that's just funny Very progressive for an old woman I am already hoping there is a third book to this series and I will say no more You must read the first book then this one for it all to make sense Pretty much picking up where Vampire Witch left off this wonderful continuation draws you right in If you loved the first book in the series be prepared for another amazing read I actually enjoyed this book more than the first This book is amazing Once you start reading you won't be able to put it down and you won't want to put it down There are so many twists and turns when you think you have things figured out everything changes Luthias is more prominent in this book and it was great getting to know know him better There were times I wanted to slap Casey and just ask her why Lol Vampire Land is the main focal point and there are a few new characters there that are great and well developed All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of Casey Geo and Luthias or her just trying to figure out how to become a vampire queen Casey really goes through some major struggles this story and I really liked how she grew as a person the entire story

Missy's Choice Eileen Sheehan, 2018-07-31 The supernatural battleground of Wolf Mountain doesn't know peace as the war rages on In the midst of this chaos a stunning revelation turns Missy's life upside down she discovers that she possesses royal fairy blood tracing back to her long lost grandparents But it's not just a fairy tale discovery Missy's exasperation with her love life amplifies as her grandfather not only challenges her choices in men but beckons her to embrace his legacy something her father had scorned and the very reason she had been raised as a human Regardless her heart pulls her towards a vampire while her wolf mother complicates matters further Brimming with conflicting emotions Missy stands at a crossroads Does she forge ahead cherishing the life she has come to adore on Wolf Mountain Or does she dare embrace a newfound truth one that unravels an enrapturing and tantalizing kingdom she never knew existed Journey with Missy as she navigates the intricate web of love lineage and a destiny that holds both strife and delight Missy's Choice is the final book of the sexy and exciting a Wolf Affair Trilogy What a few readers are saying This was the perfect ending to a great series I wasn't sure how everything would come together especially since I had a bad feeling about certain characters This Book wrapped everything up perfectly though I could not have asked for a better ending These characters and this story will definitely stay with me long after I've finished Wow the Exorcist at its best or maybe worst happens in this book Dang I really hope to see a Novella about Kenton's family background to tell us more about his family history I already knew he was a great guy and the little bit of information I gained from this book made me like him even more
