Manual Myth Retelling:

The Oxford Handbook of Greek and Roman Mythography R. Scott Smith, Stephen M. Trzaskoma, 2022 Offers the first comprehensive survey of mythographical impulses and output from the archaic period up to late antiquity with further essays tracing the influence of mythography into the western Medieval Byzantine and Renaissance traditions Features essays on the intersection of mythography and other intellectual pursuits including ancient art and education Includes contributions from both established scholars and emerging voices Book jacket [A Handbook to the Reception of Classical Mythology](#)

Vanda Zajko, Helena Hoyle, 2017-04-10 A Handbook to the Reception of Classical Mythology presents a collection of essays that explore a wide variety of aspects of Greek and Roman myths and their critical reception from antiquity to the present day Reveals the importance of mythography to the survival dissemination and popularization of classical myth from the ancient world to the present day Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Offers a series of carefully selected in depth readings including both popular and less well known examples [Greek Mythology: The Gods, Goddesses, and Heroes Handbook](#) Liv Albert, 2021-03-30 Includes bibliographic references and index **Handbook for Classical Research** David Schaps, 2010-09-13 The Handbook for Classical Research offers guidance to students needing to learn more about the different fields and subfields of classical research and its methods and resources **Handbook of Heroism and Heroic Leadership** Scott T. Allison, George R. Goethals, Roderick M. Kramer, 2016-10-04 Over the past decade research and theory on heroism and heroic leadership has greatly expanded providing new insights on heroic behavior The Handbook of Heroism and Heroic Leadership brings together new scholarship in this burgeoning field to build an important foundation for further multidisciplinary developments In its three parts Origins of Heroism Types of Heroism and Processes of Heroism distinguished social scientists and researchers explore topics such as morality resilience courage empathy meaning altruism spirituality and transformation This handbook provides a much needed consolidation and synthesis for heroism and heroic leadership scholars and graduate students **Approaches to Media Literacy: A Handbook** Art Silverblatt, Jane Ferry, Barbara Finan, 2015-01-28 Completely updated with current examples and new coverage of digital media this popular handbook provides a range of qualitative approaches that enable students to effectively decipher information conveyed through the channels of mass communication photography film radio television and interactive media It aim is to help students develop critical thinking skills and strategies with regard to what media to use and how to interpret the information that they receive The techniques include ideological autobiographical nonverbal and mythic approaches An Instructor's Manual is available to professors who adopt this new edition **The Routledge Handbook of Progressive Rock, Metal, and the Literary Imagination** Chris Anderton, Lori Burns, 2025-02-26 This Handbook illustrates the many

ways that progressive rock and metal music forge striking engagements with literary texts and themes The authors and their objects of analytic inquiry offer global and diverse perspectives on these genres and their literary connections from ancient times to the modern world from children s literature to epic poetry from mythology to science fiction and from esoteric fantasy to harsh political criticism The musical treatments of these literary materials span the continents from South and North America through Europe and Asia The collection presents critical perspectives on the enduring and complex relationships between words and music as these are expressed in progressive rock and metal The book is aimed primarily at an academic market valuable for second through final year students on undergraduate courses devoted to both popular music and to literary studies and to postgraduate programs and researchers in a range of fields including popular music studies musicology creative music performance and composition songwriting literary studies narrative studies folklore studies science fiction studies cultural studies liberal studies and sociology and for media and history courses that have an interest in the intersection of narratives music and society

Handbook of World Mythology Alexander Stuart Murray, William H. Klapp, 2005-12-01 This essential handbook on the mythology of the ancient past is quite possibly the finest most authoritative single volume narrative on Greek Roman Egyptian Hindu and Norse Germanic myths The author s incomparable scholarship and his animated personable style make this an indispensable companion for students and other interested readers 200 illustrations 28 unnumbered plates

Handbook of the English Novel of the Twentieth and Twenty-First Centuries Christoph Reinfandt, 2017-06-12 The Handbook systematically charts the trajectory of the English novel from its emergence as the foremost literary genre in the early twentieth century to its early twenty first century status of eccentric eminence in new media environments Systematic chapters address The English Novel as a Distinctly Modern Genre The Novel in the Economy Genres Gender performativity masculinities feminism queer and The Burden of Representation class and ethnicity Extended contextualized close readings of more than twenty key texts from Joseph Conrad s *Heart of Darkness* 1899 to Tom McCarthy s *Satin Island* 2015 supplement the systematic approach and encourage future research by providing overviews of reception and theoretical perspectives

[The Palgrave Handbook of the Philosophy of Film and Motion Pictures](#) Noël Carroll, Laura T. Di Summa, Shawn Loht, 2019-10-30 This handbook brings together essays in the philosophy of film and motion pictures from authorities across the spectrum It boasts contributions from philosophers and film theorists alike with many essays employing pluralist approaches to this interdisciplinary subject Core areas treated include film ontology film structure psychology authorship narrative and viewer emotion Emerging areas of interest including virtual reality video games and nonfictional and autobiographical film also have dedicated chapters Other areas of focus include the film medium s intersection with contemporary social issues film s kinship to other art forms and the influence of historically seminal schools of thought in the philosophy of film Of emphasis in many of the essays is the relationship and overlap of analytic and continental perspectives in this subject
