Sleepy Hollow as American Myth Steve A. Wiggins, 2025-07-17 Set near Tarrytown New York Washington Irving's short story The Legend of Sleepy Hollow has become mythic in American culture Its repeated reconceptions range from written works such as Christopher Golden and Ford Lytle Gilmore's Horseman 2005 and Austin Dragon's two Hunt for the Foul Murderer of Ichabod Crane books 2015 to film and TV adaptations such as Etienne Arnaud's The Legend of Sleepy Hollow 1912 Edward D Venturini's The Headless Horseman 1922 Disney's The Adventures of Ichabod and Mr Toad 1949 Tim Burton's Sleepy Hollow 1999 and Fox Television's Sleepy Hollow 2013-17 that combined Sleepy Hollow's Ichabod Crane with Irving's other creation Rip Van Winkle This book explores the tale's host of afterlives tracing its path from a gothic comic story of Crane's encounter with the ominous Headless Horseman to Halloween and horror icon and cultural landmark for generations

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to Wind in the Willows The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be

modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included Psyche Kate Forsyth,2025-04-29 Kate Forsyth infuses the story of Psyche and Eros with new vigour as a life affirming celebration of female strength sexual desire and empowerment It is not wise to anger the gods or to fall in love with one Fair as Venus the goddess of love and with the hard won ability to save the lives of those of mortal blood Psykhe is both shunned and revered When she unwittingly provokes Venus she and her sisters lose everything Psykhe must find a way to make amends and support her family Befriended by an old woman Nokturna Psykhe finds herself irresistibly drawn to her young friend Ambrose But neither is what they seem For Psykhe has fallen in love with a man whose face she is forbidden to see After disobeying this injunction she must risk everything to try to save him even if it means travelling down to the shadowy Underworld to face Proserpina queen of the dead **Newton and the Origin of Civilization** Jed Z.

Buchwald,Mordechai Feingold,2013 Reveals the manner in which Newton strove for nearly half a century to rectify universal history by reading ancient texts through the lens of astronomy and to create a tight theoretical system for interpreting the evolution of civilization on the basis of population dynamics *The Writer's Gift or the Patron's Pleasure?* Deborah McGrady,2019-02-24 The Writer s Gift or the Patron s Pleasure introduces a new approach to literary patronage through a reassessment of the medieval paragon of literary sponsorship Charles V of France Traditionally celebrated for his book commissions that promoted the vernacular Charles V also deserves credit for having profoundly altered the literary economy when bypassing the traditional system of acquiring books through gifting to favor the commission When upturning literary dynamics by soliciting works to satisfy his stated desires the king triggered a multi generational literary debate concerned with the effect a work s status as a solicited or unsolicited text had in determining the value and purpose of the literary enterprise Treating first the king s commissioned writers and then canonical French late medieval authors Deborah McGrady argues that continued discussion of these competing literary economies engendered the concept of the writer s gift which vernacular writers used to claim a distinctive role in society based on their triple gift of knowledge wisdom and literary talent
