In the aftermath of her journey, her dreams of a simple life have been shattered. Beaten, betrayed, and reeling from the revelation of her true name, she flees Kopa with Reynir Galtung, ruthless leader of the Bloodaxe Crew. But Silla soon discovers Rey has been keeping secrets of his own, ones that force them into hiding together. Stuck in a shield home with the murderous man she thought she knew, Silla forms a new plan: master the magic flowing through her veins to save her sister. But before she can do that, Silla must face her most formidable opponent yet: her own inner demons. Saga Volsik has nothing to lose. They've murdered her family, stolen her throne. And now they expect her to marry their son. But when she discovers her foster mother has been keeping the biggest secret of all, everything changes. Saga's goal: dismantle Queen Signe's plans piece by piece. The only problem: The handsome Zagadkian dignitary who knows far too many of her secrets. Meanwhile, dark threads continue to weave themselves through Seldur as magic long thought dead begins to wake. In this epic sequel to *The Road of Bones*, both women will need to find the strength to step into their destiny and stop chaos from sweeping across the land. Sarah J. Maas meets Vikings in this multi-POV epic romantasy series filled with fugitive shieldmaidens, assassin kings, brooding warriors, and a jaw-dropping Norse-inspired world of island volcanoes and obsidian black sands. Writers' Handbook 2026 J. Paul Dyson, 2025-07-10 The 2026 edition of *firstwriter.com*'s annual directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,400 listings, including revised and updated listings from the 2025 edition and over 200 brand new entries.

Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers contact details for literary agents publishers and magazines this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts advice and encouragement to aspiring writers. I've been recommending it for years now.
