that depended heavily upon outside assistance Starting in 2005 the United States led an air advisory campaign to rebuild the Afghan Air Force AAF In 2007 a formal joint combined entity led by a U S Air Force brigadier general began air advisor work with Afghan airmen Between 2007 and 2011 these efforts made modest progress in terms of infrastructures personnel and aircraft accessions and various training courses But by 2010 advisors increasingly viewed AAF command and control C2 as a problem area that required significant improvement if a professional air force was to be built In the spring of 2011 major institutional changes to AAF C2 procedures were being introduced when nine U S air advisors were killed The attack was the worst single incident loss of U S Air Force personnel in a deployed location since 1996 and the worst insider attack since 2001 From the day of that tragic event the cultural chasm between Afghanistan and the West became more apparent This dilemma continues with no end in sight to an air advisory mission of uncertain long term value

Aristocracy of Armed Talent Samuel Ling Wei Chan,2019 When Singapore declared independence in 1965 it faced the monumental task of building a military from scratch Aristocracy of Armed Talent tells the story of the development of the Singapore Armed Forces through a collective portrait of its leaders This book is based on interviews with twenty eight flag officers offering a firsthand look at Singapore s military from the very leaders who helped shape it It addresses the challenges Singapore faced in building its officer corps and encouraging individuals to stay and make a career out of military service In a society where the majority Chinese population traditionally devalued military careers and where military service was associated with foreign occupiers and colonizers Singapore had to learn to build a culture of leadership for its armed forces It also dispels some of the myths that have shrouded military culture in the country As former flag officers are often recruited into senior civil service and political roles understating the military elite culture is central to understanding Singapore s politics This book provides a rare window on an exceptional and globally influential institution
