**Airframe** ,1997 This controversial novel from the bestselling author of Jurassic Park and Disclosure is a thriller with a scientific background This novel combines fast paced action a thrilling plot and the suspense only Crichton can deliver      A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahhaan,2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistics views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful

The Chronology of American Literature Daniel S. Burt,2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's

first memoir from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present
