of Elvis tells the story of a small Southern town in the 1950s as told through the lives of its teenagers. Among them was a group of girls known as The Twelve the Magolias, one of whom Margie King looks back on this innocent time when most of the entertainment was self-generated and neighbors were friends who relied on each other and knew everyone else's business. Although not everyone knew the mystery of the ruins of an antebellum mansion or what happened after a local lawyer became governor of the state, Offstage is Elvis Presley, who before he was famous was influencing the lives of the town's youth as his voice reached down into the Delta over the airwaves from Memphis and the teenagers sped up to Graceland to see what they could find out about the daily life of The King. *Shadow* Neil Hunter Raiford, 2018-08-22 This is the poignant and exciting story of a statistical anomaly, a B-24 bomber crew that completed 50 combat missions in World War II. This crew was part of the famous 450th Bomb Group, which was nicknamed the Cottontails because of their white rudders. As part of the 15th Army Air Force, they flew strategic bombing missions out of Manduria, Italy, in the heel of the boot and struck strategic targets which were out of the reach of the 8th Army Air Force bases in England. The group lost 1,505 airmen in only a year and a half, the equivalent of losing their effective flying strength three times over. The book's title comes from the crew's bomber, Shadow, which in turn was named for the pilot's black cocker spaniel that flew with them on training missions. Based on interviews with the surviving crewmembers and their families, as well as extant archival source material, the book details the childhood training and post-war life of each of its 13 principal characters. Chapter One is a discussion of each man's boyhood years, and Chapter Two provides details of the training that each received. In Chapter Three, the original crew of ten, Crew 4 N-33, was formed in Clovis, New Mexico. An assignment for training in Clovis and in B-24s meant that the crew had been designated for heavy bombardment. Chapter Four includes a description of the four main objectives for the crew, one of which was to participate in POINTBLANK, the Combined Bomber Offensive, which called for the destruction of German fighter aircraft plants, ball-bearing plants, oil refineries, rubber plants, munitions factories, sub pens, and bases. Details of the structural components of most missions are provided in Chapter Five. The crew completes its first missions in Chapter Six. In Chapter Seven, Shadow completes its last, after taking enemy fire, and Chapter Eight introduces a new plane, Sleepy Time Gal. The book's Epilogue contains information about the post-war lives of the crew. Under a Shadow. A Novel Charlotte M. Brame, 1882

Witches Brenda Lozano, 2023-09-12 The beguiling story of a young journalist whose investigation of a murder leads her to the most legendary healer in all of Mexico, from one of the most prominent voices of a new generation of Latin American writers. Paloma is dead. But before she was murdered, before she was even Paloma, she was a traditional healer named Gaspar. Before she was murdered, she taught her cousin Felicianita the secrets of the ceremonies known as veladas, and about the language and the book that unlock their secrets. Sent to report on Paloma's murder, Zoe meets Felicianita in the mountain village of San Felipe. There, the two women's lives twist around each other in a danse macabre. Felicianita tells Zoe the story of her struggle to become an accepted healer in her community, and Zoe begins to understand the hidden history of her own

experience as a woman finding her way in a hostile environment shaped by and for men Weaving together two parallel narratives that mirror and refract one another this extraordinary novel envisions the healer as storyteller and the writer as healer and offers a generous and nuanced understanding of a world that can be at turns violent and exultant cruel and full of hope A story of the world's repeated failure to control feminine power and the sheer magic of language itself An enthralling passionate story about secrets both holy and profane Catherine Lacey author of *Pew* and *Nobody Is Ever Missing*
