All My Sons Full Script:

All My Sons Arthur Miller, 2015-02-13 This Student Edition of All My Sons is perfect for students of literature and drama and offers an unrivalled guide to Miller's play. It features an extensive introduction by Toby Zinman which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. As Miller's first successful play on Broadway, All My Sons launched his career and established Miller as America's social critic. A devastating indictment of war profiteering, the play exposes the awful price paid by self-interest and greed fostered by capitalism. Set in 1947 in the Keller family's home in the mid-west, a shattered apple tree stands as a reminder of the pilot son lost during the war. Joe Keller has evaded justice for his part in the deaths of pilots caused by faulty engine parts manufactured in his factory, but the family is unable to put the past behind them.

Film Scripts George Garrett, O. B. Hardison, Jane R. Gelfman, 1989 *Charade*, *The Apartment* and *The Misfits* The Cambridge Companion to Arthur Miller Christopher Bigsby, 2010-04-22 Arthur Miller is regarded as one of the most important playwrights of the twentieth century and his work continues to be widely performed and studied around the world. This updated Companion includes Miller's work since the publication of the first edition in 1997: the plays *Mr. Peters' Connections*, *Resurrection Blues* and *Finishing the Picture* and key productions of his plays since his death in 2005. The chapter on Miller and the cinema has been completely revised to include new films and demonstrates that Miller's work remains an important source for filmmakers. In addition to detailed analyses of plays including *Death of a Salesman* and *The Crucible*, Miller's work is also placed within the context of the social and political climate of the time. The volume closes with a bibliographic essay which reviews the key studies of Miller and also contains a detailed chronology of the work of this influential dramatist.
