Andy Field 4th Edition:

Discovering Statistics Using IBM SPSS Statistics Andy Field, 2013-02-20 Lecturers/instructors request a free digital inspection copy here. With a little help from his weird band of characters, the Fourth Edition of the award-winning book continues with its unique blend of humour and collection of bizarre examples to bring statistics from first principles to advanced concepts well and truly to life using IBM SPSS Statistics. Lecturers with WebAssign can manage and monitor your students' progress quickly and easily online or give them more opportunities to practise. Ideal for short courses, choose to use WebAssign alongside the Fourth Edition of Andy Field's textbook to quickly set up courses and schedule assignments using the 2159 questions available and track individual performance so you can spot in an instant where more instruction or practice is needed. If not using for formal assessment, WebAssign still lets you set questions for your students to practise over and over again. They get instant feedback and also links to the relevant chapter or section in the integral ebook to help them work out the correct solution. For more information on how to integrate WebAssign into a forthcoming course or to arrange a class test, please contact your local SAGE representative for more details. Students, please note: access to WebAssign is dependent not only on the purchase of a student access code (ISBN 9781446273043) but also a username, institution code, and password supplied by your course leader/instructor. SAGE MobileStudy: study where and when you like. Scan any QR code within the book to access revision material on a smartphone or tablet, such as Cramming Sam's Study tips, flashcard glossaries, interactive multiple-choice questionnaires, and more. Click here to take a look. If you're accessing the site from a desktop, you'll be taken to the Companion Website; instead, look out for the MobileStudy icon to show you which pages are also available on the MobileStudy site. See how Andy's book is changing the landscape for textbooks through the use of technology. Support materials for a wide range of disciplines: Education and Sport Sciences lecturer support materials with enhanced ones for Psychology, Business and Management, and the Health Sciences on the enhanced Companion Website make the book even more relevant to a wider range of subjects across the social sciences and where statistics is taught to a cross-disciplinary audience. Other major new updates include: Now fully compatible with recent IBM SPSS Statistics releases. Two new characters: Statistical cult leader Oditi provides students with access to video clips via his Lantern to help further understanding of statistical SPSS concepts, while Confusius helps students to make better sense of statistical terms. The enhanced Companion Website offers plenty of lecturer and student material to use in conjunction with the textbook. These include PowerPoints and subject-specific testbanks for lecturers, as well as answers to the Smart Alex tasks at the end of each chapter, datafiles for testing problems in SPSS, flashcards of key concepts, self-assessment multiple-choice questions, and online videos of key statistical and SPSS procedures discussed in the textbook for students.
