Lester, 1983-01-01 Argues that Christians should not suppress their anger but learn to deal with it and examines what the scriptures say about anger [The Anatomy of Anger](#) Dr. Antionette D. Brookins LMFT Ph.D in Christian Psychology, 2022-08-01 From the pulpit to the parking lot anger has become a debilitating cancer to the souls of Christians A cancer that stunts the spiritual maturation and matriculation of Christians every day However the Bible still suggests that Christians possess the ability to be angry and do no harm I then propose that anger is not the problem Rather it is our learned response to anger and untreated emotions that lead to challenges in life and the sin that may follow This begs the questions what is anger what is its origin and how do we manage it Listen sisters I invite you to trek with me through this dark tunnel my thirty year journey from hurt to healing A healing found in the most unsuspecting place aEURin the perfect will of the Father So grab a pen a toasty drink your favorite notebook a box of tissues and brace yourself to laugh out loud as I share my untold story and provide you with practical yet amazingly powerful tools that I have learned along this journey to living my best life in Christ Are you ready Let aEURtm s get started **Reckoning with Aggression** Kathleen J. Greider, 1997-01-01 Aggression is ambiguous in our society according to Kathleen Greider While giving us strength to fight the world's social ills or to create vital and powerful lives aggression can also lead to rage and violence Thus society has often viewed aggression as evil or sinful Greider wants Christians to repair their view of aggression and realize that aggression is what can spur them to make the world better In exploring aggression from feminist pastoral and theological perspectives Greider examines the relationships between violence and vitality passion and aggression and finds that Christians can be strong without being destructive [I am Angry and I Need Help!](#) Kit H.
