## Animal Farm Mock Trial Student Directions

You will soon be participating in a mock trial to debate the following issue:  
**Is Napoleon the pig guilty for crimes against the animals in Animal Farm?**

There are two sides to every story.

| If you are on the prosecution team...                                                                                                                    | If you are on the defense team...                                                                                                                   |
|----------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| You are seeking to prove that Napoleon is guilty for crimes against the animals in Animal Farm, was a tyrant to others, and only looked out for himself. | You are seeking to prove that Napoleon was not guilty for crimes against the animals in Animal Farm, was a leader, and only looked out for himself. |

You will be given an important role to play, on whether prosecution or defense, and think critically about the following questions:

- Do you believe Napoleon is guilty?
- How does Napoleon prove his innocence?
- What evidence from the book could you use to prove your case?
- How will you prove this issue? (Do both sides!)
