Animal Studies

Paul Waldau, 2013-02-11 Animal studies is a growing interdisciplinary field that incorporates scholarship from public policy sociology religion politics philosophy and many other fields This new field seeks to understand how humans study and conceive of other than human animals and how these conceptions have changed over time across cultures and among various scholarly modes of inquiry Until now this growing field has lacked a comprehensive introductory text appropriate for new scholars Animal Studies An Introduction fills this deficiency providing the first holistic survey of the field

Ecospirituality Rachel Wheeler, 2022-02-08 Ecospirituality for the first time

comprehensively introduces and lays the foundation for further individual growth in the burgeoning field of ecospirituality Rachel Wheeler covers the background for environmentally oriented spirituality in the Christian tradition beginning with expressions of creation care and creation degradation in the Judeo Christian Scriptures and moving through important moments and figures in the history of Christian spirituality With this foundation in place she reveals how expressions of renewed interest in creation care are showing up amid our compromised living habitats today and shows what ideas laid the groundwork for beginning to speak of God human identity and human responsibility in certain ways Turning to ecospiritual practice Wheeler presents specific practices from a variety of global religious traditions paying particular attention to Indigenous spiritual traditions She also explores interdisciplinary areas that have combined some essential aspects of their own focus of engagement with ecology and furthermore with ecospirituality Such areas as ecojustice ecofeminism ecowomanism and ecopoetics all provide points of contact with the work that ecospirituality makes possible and have important implications for personal and social transformation Wheeler's concise introduction to ecospirituality is not only a foundation laying tool for educators but also a concise thorough way for individuals and students to gain a comprehensive understanding of ecospirituality and why it matters
