Annie And The Grateful Dead:

Say No to the Devil Ian Zack,2015-04-10 Finally the biography that Rev Davis deserves Ian Zack takes Blind Gary out of the footnotes and into the footlights of the history of American music Steve Katz cofounder of Blood Sweat Tears Bob Dylan called Gary Davis one of the wizards of modern music Bob Weir of the Grateful Dead who took lessons with Davis claimed his musical ability transcended any common notion of a bluesman And the folklorist Alan Lomax called him one of the really great geniuses of American instrumental music But you won't find Davis alongside blues legends Robert Johnson and Muddy Waters in the Rock and Roll Hall of Fame The first biography of Davis *Say No to the Devil* restores the Rev's remarkable story Drawing on extensive research and interviews with many of Davis's former students Ian Zack takes readers through Davis's difficult beginning as the blind son of sharecroppers in the Jim Crow South to his decision to become an ordained Baptist minister and his move to New York in the early 1940s where he scraped out a living singing and preaching on street corners and in storefront churches in Harlem There he gained entry into a circle of musicians that included among many others Lead Belly Woody Guthrie and Dave Van Ronk But in spite of his tremendous musical achievements Davis never gained broad recognition from an American public that wasn't sure what to make of his trademark blend of gospel ragtime street preaching and the blues His personal life was also fraught troubled by struggles with alcohol women and deteriorating health Zack chronicles this remarkable figure in American music helping us to understand how he taught and influenced a generation of musicians

Big Appetite Sam McLeod,2010-06-01 Dr Beauregard pulled his chair up a little closer to me looked me in the eye and said Sam I'm afraid your health is pretty good You could stand to lose a little weight but without some bad news I can't scare you into taking better care of yourself You've got to find some meaning in your life that will motivate you to take better care of your body something that gets under your skin something that grabs your imagination something other than a diet And only you can figure that out So begins big boned Sam McLeod's search for the meaning of life Luckily a mysterious envelope arrives in the mail to distract him It's an invitation to a neighborhood reunion where Sam grew up near Nashville Tennessee Sam's wise wife Annie insists that her reluctant husband get in the car and make the cross country trip Here's a map and your itinerary But you keep your hands off that old girlfriend you hear me As Sam drives he tries to work out the meaning of life just like the doctor ordered Instead memories of childhood fill his head Who would be at the reunion Weiner He remembers how Weiner got his name and his lasting fear of buzzards Would he find a descendant of Big Un the snake as fat as a family size can of Franco American spaghetti And what about Lexi She wasn't his girlfriend no matter what Annie says but he remembers the summer night they played hide and seek And with these recollections come the smell of his mother's meatloaf the taste of spicy pimento cheese the tang of cold pickled shrimp and the tart sweetness of strawberry pie the foods of his Southern childhood Does Sam find the meaning of life Yes he does even though he lacks the emotional intelligence God gave a stinkbug as Annie so delicately put it So come along with Sam as he follows his deep fried
