Improvements in the sales economy to meet their economic requirements will be achieved with the growing emphasis on the company's 1970-1975 financing strategy by a working plan. This financing strategy and marketing philosophy are designed to meet the future needs of the company.

Table 1. Life-time achievement has important implications for the life cycle, and the positive effects of life-long learning and training can be most clearly observed across ages. The right to continued work during the adult years is essential to the development of an individual's human capital, and the well-being and development of the economy, society and nations depend on it. Human capital can be used as a valuable source of income for most people, and it is the only way to ensure greater income in the future.
