Hobo **li** Brian Douglas Beverly, 2009-07-16 The one way that Clarence Taylor thought to make matters easier for himself and his people at home is to get North to Ohio And start a new life there Because still it is the hungry years and there s no real means of support One s can only hope the next train ride will lead him or her to a real job in some other town Knowing just what s coming around the next bend is a lot to do with it s success And even though Clarence is in the dark and the train has gone another way then what was expected He still has the courage to continue on *The Adventures of a Woman Hobo* Ethel Lynn, 2021-08-30 Quite a story of a woman and her husband travelling from Chicago back to San Francisco around 1915 They would try to work where they could but often would find themselves hiding among the freight that moved across this wide and untamed country Well written and entertaining Google **For the Love of Trains** Ray Hamilton, 2018-05-10 More than just a means of transport trains connect communities evoke memories and promise adventures galore This fact packed miscellany tracks their development from the earliest locomotives to today s superfast trains stopping off along the way to explore great railway journeys iconic stations and memorable depictions in the arts *The Century Illustrated Monthly Magazine* , 1894 *The Century* , 1893 *The Jungle of Fear* Claude W. Keenam, 2011 Reverend Alabaster Armstrong and his little band of crusaders watched the great walls of Sanctuary Mission sink slowly into the distance Soon they would be living in hobo jungles and boxcars surrounded by menacing men who would kill within a moment if they knew their mission As freight trains pulled them southward Alabaster felt a need for Christ s closeness Deep in the swamps of southern Louisiana they boarded a coastal trader that carried them across the Gulf and up the Amazon to Saint Pablo on the Negro River There they encountered a strange assortment of people that the natives called lizard men In the deep forest of the Amazon jungle what lay behind those high barbed wire fences they found where sirens wailed Nazi gunboats cruised the river and those strange men roamed the jungle It took all of Alabaster s wit as he tried to make some sense of what was going on Whatever is going on and whatever those swirling colors on the chameleon men s bodies really are the Nazis have their hands in it and Marvin Baggs that murderous Nazi spy is behind it all Alabaster can feel it in his bones What exactly is God calling him to do Will Baggs finally succeed Will he successfully kidnap Alabaster s beloved Helen and the other women crusaders Can Helen and the other women help Alabaster turn the tide on him Join author Claude Keenam in the exciting and ever adventurous follow up to *The Search for the Loony Man* *Tales of the Iron Road* Maury Graham, 1990 **Figures of Heresy** Andrew Dix, Jonathan Taylor, 2006 God is dead Nietzsche famously declared in *The Gay Science* but this book will investigate God s surprising persistence and resurrection in the works of even the most seemingly atheistic of writers who continue to deploy Judaic and Christian narratives and tropes even as they radically rewrite them in the face of new cultural political and scientific imperatives Contributors explore the range power and implication of Christian and Jewish heresies in canonical Anglo American writers including Edgar Allan Poe Thomas Hardy Robert Louis Stevenson T S Eliot John Steinbeck

and Jim Crace as well as in some less familiar texts the Mormon Scriptures of Joseph Smith and various Victorian rewritings of the Book of Esther A polemical essay by Michelene Wandor reflects on conceptions of Jewishness which she finds in need of heretical renewal Valentine Cunningham s provocative introduction argues that the acts of literary writing and reading are necessarily heretical A coda to the book *Between Heresy and Superstition* takes as its motto Thomas Huxley s observation in 1881 that It is the customary fate of new truths to begin as heresies and to end as superstitions Contributions offer readers a rare opportunity of witnessing an extended academic exchange exploring the process by which former heresies may indeed risk ossification as new kinds of doctrinal conformity Bryan Cheyette s critique of the *Christian Albums* of Bob Dylan is answered by Kevin Mills s essay which uncovers heretical possibility even in this most seemingly orthodox part of Dylan s work The revitalisation of heresy in literary interpretations as well as in our religious thinking forms the guiding objective of this exciting critical book
