Knowing the Terror of the Lord Merienne Lynch,2009-01-26 Every pastor teacher anyone in leadership in the church needs to read this book There are answers in here as to why those in leadership go through the things that they do and why they seem to fail when they needed to be victorious It answers many questions about the anti Christ and why so many are looking in all the wrong places for not only the anti Christ but the rapture It answers questions as to why people are not delivered and helps believers see themselves as God sees them in the mirror of the Word It is a guide to understand how to use the God given guide the Bible and how each person should possess their vessel in honor It is God s love letter to His church Out of the Transylvania Night Aura Imbarus,2012-08-14 I d grown up in the land of TRANSYLVANIA homeland to Dracula Vlad the Impaler and worse the Communist dictator Nicolae Ceausescu who turned Romania into a land of gray clad zombies who never dared to show their individuality and where neighbors became informants and the Securitate made people disappear writes the author Daylight empowered the regime to encircle us like starved wolves and so night had always been the time to steal a bit of freedom As if bred into our Transylvanian blood we were like vampires who came to life after sundown I buried the family jewels and left my outpost to join the action tonight Ceausescu would die Known for using stand ins to pose for him Aura doubts if it was even Ceausescu himself who was killed that night Nevertheless when her countrymen topple one of the most draconian regimes in the Soviet bloc Aura Imbarus tells herself that life post revolution will be different But little in the country changes With two pieces of luggage and a powerful dream Aura and her new husband flee to America Through sacrifice and hard work the couple acquire the American Dream but discover that straddling two cultures is much more complicated than they expect Factual Wisdom for the Age of Apostasy Thomas D. Sharts, MEd,2015-08-04 This book Factual Wisdom For the Age of Apostasy accounts for those issues of life synonymous with the five areas of being human spiritual physical social psychological and vocational associated with living in an age void of truth and commonsense Moreover the book offers an analysis of these life issues from various expressive perspectives such as ruminations aphorisms sayings and proverbs It is the hope of this author that readers will comprehend how sacred life is in reference to safeguarding against willful ignorance vanity willful stupidity cowardice and hatred while alternatively exploring and developing beliefs and behavioral lifestyles that promote the sanctity of life In truth life is to be lived in such a manner that living is lifted up in glory so that each person on earth has an opportunity to achieve his her life giving purpose and receive and allocate community blessings because of such a fact Anything less than such a blessed experience are those persons that are living the living death and certainly the works expressed in this book find these kinds of lives and those

machinations responsible for such debasing experiences a reprehensible outrage that must be excised from civilized social life
