Report of Inquiry Into the Effects of Betting on Sport Great Britain. All Party Parliamentary Betting & Gaming Group, 2005 The Gambling Act 2005 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-07-24 High street betting shops and casinos alike are currently allowed a maximum of four B2 FOBT gaming machines which allow stakes up to 100 and a 500 prize Casinos should instead be permitted to operate up to twenty B2 type gaming machines Limiting the number of B2 machines in betting shops has encouraged them to cluster in some high streets in order to satisfy customer demand Local Authorities should have the power to permit more than the four B2 machines per shop if they believe it will help with clustering The Committee also recommends that any local authority be able to make the decision as to whether or not they want a casino As a step towards this existing 1968 Act Casino licences should be made portable allowing operators to relocate to any local authority provided that they continue to be constrained by the need to obtain local authority approval a premises licence and planning permission The failure to set remote gambling taxation at a level at which online operators could remain within the UK has led to almost every online gambling operator moving offshore whilst most are still able to advertise and operate into the UK The Committee further recommends the Gambling Commission should introduce a new licence fee structure which reduces the current anomaly where small independent bookmakers pay

much higher fees per shop than large chains Particularly given the absence of a significant UK regulated online sector or any Regional Casinos the Gambling Commission remains an overly expensive bureaucratic regulator Official Report of the Standing Committees Great Britain. Parliament. House of Commons,1990 **Complaints about alleged misuse of Parliamentary dining facilities** Great Britain: Parliament: House of Commons: Committee on Standards and Privileges,2007-04-02 Complaints about alleged misuse of Parliamentary dining Facilities Third report of session 2006 07 report and appendices together with formal Minutes *M & C Report* ,2008 **Debrett's Peerage & Baronetage 2008** Christine Shaw,2007 The extraordinary life of Australia s first international racehorse from creating new records in Australia to his life in California where he won the Hollywood Gold Cup In wartime Sydney a small and weedy racehorse kicked his way through the top tier of Australian racing He was Shannon one of the fastest horses the nation had ever seen Between 1943 and 1947 Shannon broke record after record with his garrulous jockey Darby Munro When they sensationally lost the Epsom Handicap by six inches they forever were stamped by the race they didn t win Sold in August 1947 for the highest price ever paid at auction for an Australian thoroughbred Shannon ended up in America Through headline snatching pedigree flaws acclimatization and countless hardships he blitzed across the ritzy glitzy racetracks of 1948 California Smashing track records world records and records set by Seabiscuit the Australian bolted into world fame with speed and courage that defied all odds Long before Black Caviar So You Think and Takeover Target Shannon was Australia s first international racehorse Starring Hall of Fame trainers and jockeys Hollywood lawyers and legends Bernborough and Citation this is his tremendous story *The Parliamentary Debates (Hansard)*. House of Lords,1855 Report of the Annual Conference Labour Party (Great Britain),1965 **On-course horserace betting** Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2008-01-23 In course horserace bookmaking has undergone substantial regulatory reform since the enactment of the Gambling Act 2005 PGA 2005 Chp 19 ISBN 9780105419051 In particular the reform of allocating on course horserace bookmakers pitches the physical position each bookmaker occupies on the racecourse This issue has been the subject of a dispute particularly since a certain number of bookmakers have bought what they believe is an existing tenure in perpetuity on a bookmakers list The Gambling Act also removed the requirement of horse racecourses to obtain a certificate of approval in order to operate This also removed the five times rule which capped the charge to a bookmaker for admission to an enclosure at five times the amount of the highest charge to members of the public for admission to that enclosure a development the Committee approves With the removal of certificates of approval by the

Act this also removed the mechanism which ensured that racecourses observed bookmakers lists where bookmakers that attend the racecourse are entitled to pick their pitch position in accordance with their respective list position The Gambling Act has enabled racecourses and bookmakers to enter into commercial arrangements for the pricing and allocation of pitch positions The Committee though does welcome the efforts of bookmakers and racecourses to agree new arrangements for the administration and regulation of on course betting and the establishment of the new working party to consider the issue of pitch positions The Committee believes that if racecourses wish to move to a fully commercial relationship for the allocation and pricing of pitch positions compensation should be made available for those who purchased a list position under the system of certificate of approval If the racecourses and bookmakers cannot reach a commercial arrangement over pitches the Committee believes the system of bookmakers lists under the certificate of approval should be reimposed **Parliamentary Debates (Hansard)**.
