Meeting the Alien
Andreas Anton, Michael Schetsche, 2023-06-22 Is mankind alone in the universe Will we ever encounter intelligent life beyond Earth These questions have been asked for centuries Recent advances in the fields of astrophysics astronomy and astrobiology make it more likely than ever before that Earth may not be the only inhabited planet and that humanity may not be the only intelligent species in the universe What would be the consequences of contact with an extraterrestrial intelligence This question is at the heart of the emerging discipline of exosociology According to the authors first contact with an extraterrestrial intelligence poses enormous risks for humanity These risks come not only from extraterrestrials but above all from ourselves We should be prepared Michael Schetsche and Andreas Anton's comprehensive introduction to exosociology was first published in German in 2019 The book has been widely acclaimed in Germany and internationally It is now available in English for the first time

Science Fiction America David J. Hogan, 2015-05-07 From the inception of the science fiction film writers directors producers and actors have understood that the genre lends itself to a level of social commentary not available in other formats Viewers find it easier to accept explorations of such issues as domestic violence war xenophobia faith identity racism and other difficult topics when the protagonists exist in future times or other worlds that are only vaguely similar to our own The 22 original essays in this collection examine how the issues in particular science fiction films from 1930's High Treason to 1999's The Iron Giant reflect and comment on the prevailing issues of their time The 16 writers including such noted contributors as Ted Okuda Gary Don Rhodes Bryan Senn John Soister and Ken Weiss provide insight on how the genre's wistful daydreaming forthcoming wonders and nightmarish scenarios are often grounded in the grimmer realities of the human condition Films covered include It Came from Outer Space Godzilla The 27th Day Alien and Starship Troopers plus television's The Adventures of Superman the Flash Gordon serials and vintage space cartoons by Fleischer
