 digital games industry may one day challenge theatrical release movies as the highest grossing entertainment media in the
 world In their examination of the tremendous cultural influence of digital games Daniel Reardon and David Wright analyze
 three companies that have shaped the industry Bethesda located in Rockville Maryland USA BioWare in Edmonton Alberta
 Canada and CD Projekt Red in Warsaw Poland Each company has used social media and technical content in the games to
 promote players belief that players control the companies game narratives The result has been at times explosive as
 empowered players often attempted to co-opt the creative processes of games through discussion board forum demands fund
 raising campaigns to persuade companies to change or add game content and modifications modding of the games through
 fan created downloads The result has changed the way we understand the interactive nature of digital games and the power
