Bilingual Special Education for the 21st Century: A New Interface Colón, Gliset, Alsace, Tamara O., 2022-05-13

Bilingual students with disabilities have an established right to be educated in their most proficient language. However, in practice, many culturally and linguistically diverse students still do not receive the quality of education that they are promised and deserve. Multilingual learners with disabilities must be acknowledged for the assets they bring and engaged in classroom learning that is rigorous and relevant. *Bilingual Special Education for the 21st Century: A New Interface* addresses the complex intersection of bilingual education and special education with the overlay of culturally and linguistically sustaining practices. This work provides practical solutions to current dilemmas and challenges today's educators of multilingual learners with disabilities face in the classroom. Covering topics such as dual language education, identification practices, and transition planning, this book is an essential resource for special education experts, faculty, and administration of both K-12 and higher education, pre-service teachers, researchers, and academicians.

Instructional Strategies for Learners with IEPs Toby Karten, 2019-05-08

This compact yet comprehensive guide provides K-12 educators of students who receive special education services with a brief overview of the purpose and essential elements of an individualized education program (IEP) along with adaptations, interventions, and supports to incorporate into the IEP as part of specially designed instruction (SDI). It includes a framework for step-by-step planning as well as sample IEP lesson plans for students at various grade levels that demonstrate how specially designed instruction connects to students' IEPs to help them meet individual goals. This resource will help IEP teams develop IEP goals and objectives that are ambitious and aligned with the K-12 general education curriculum to ensure students with disabilities are included and prepared for postsecondary options. It includes an IEP Collaborative Planner that lists an extensive menu of daily/weekly instructional strategies and interventions along with progress monitoring and curriculum-based assessments. Access to more detailed downloadable forms is provided to help teachers put ideas into action.
