**The Development of John Grady Cole in Cormac McCarthy's "All the Pretty Horses"** Lydia Gaukler, 2009-05 Seminar paper from the year 2006 in the subject American Studies Literature grade 1.7 University of Mannheim language English abstract Cormac McCarthy is one of the most famous contemporary writers in America and is celebrated as one of the major American novelists of his time However this has not always been the case Despite his earlier writings it was for McCarthy's All the Pretty Horses that he finally became famous for With the publication of this sixth novel for which he won both the National Book Award and the National Book Critics Circle Award he gained widespread recognition as an American writer All the Pretty Horses was first published in 1992 and is the first part of his Border Trilogy As Morrison notes most of McCarthy's novels involve both metaphorical and literal journeys which bring their

voyagers inevitably into a series of conflicts and confrontations with themselves as well as with the various communities intersected by their wanderings. And in most of these novels the central characters' journeys, however random in time and place they may be, are apparently rooted in dysfunctional families and troubled filial relationships. This also applies to *All the Pretty Horses*. In this novel Cormac McCarthy concerns himself with the development of his main protagonist, the 16-year-old John Grady Cole. At the beginning of the novel McCarthy portrays John Grady as a boy in search for adventure, freedom, and a home. During his journey to Mexico, however, he soon has to grow up. He has to witness the execution of his companion, he is put in jail even though he is innocent, he has to fight with other convicts, and at last he is attacked by a hired killer. He thus has to learn that the world is a dangerous and violent place and that the world portrayed in *All the Pretty Horses* has nothing to do with an idyllic wild country as the novel's title might suggest. In the end John Grady has hardened. He has killed a man he has lost his inn.
