The Road to Hancock County James Odell,2022-12-17 Author James Odell wrote this book to help people who are looking for victory in their life James Odell takes you on a wild jaw dropping roller coaster ride of sex drugs and the life of crime that he lived as a member of a well known organized crime syndicate In the late 1990s James Odell quickly rose to the top of the roofing industry where he started making the modern day equivalent of 64 000 a month He lived a life of power position and prestige But something went terribly wrong He ended up losing all the money he made his family and his freedom He became an alcoholic drug addict liar cheat thief con and master manipulator But one day as he was laying on the floor of a holding cell in the small town of Bay St louis Mississippi he came to know utter hopelessness an despair like few human beings ever experience and come back from He despaired of life and then he begged God to let him die He looked up and saw the cross and heard something say There is hope and victory in Jesus Author James Odell slipped into

unconsciousness and when he woke up the next morning he gave his life to the Lord He would go onto witness to thousands from the confines of a prison He also would go on to speak at churches schools and treatment centers all over South Mississippi He is currently a college student at Liberty University and is majoring in psychology If you need victory in your life at any point we implore you to read this heart wrenching autobiography and see how God turned Author James Odell s tragedy into triumph *Federal Register* ,2005-04
