No Regrets William F. Scanlin, 2010-08-27 This autobiography covers my life and key experiences that I have had since my earliest recollections to the present time The United States stopped nuclear testing in the atmosphere in 1962 As time has gone on there are now few people still alive who have actually witnessed a large atmospheric nuclear explosion I relate as one of my most memorable life experiences my witnessing of a nearly 8 million ton thermonuclear explosion at Christmas Island in 1962 An aspect of my career as a physicist in the weapons program that is essentially unique is that I was the responsible design physicist for 93 live underground nuclear experiments carried out at the Nevada Test Site Obviously the many activities that I have engaged in have been experienced by only a few Interspersed with my rewarding career I describe the adventures that I experienced while pursuing my hobbies of flying boating and traveling The foundation for the great life that I have enjoyed is a happy marriage and a successful loving family

Beaton,2010-10-14 No wonder she s been crowned Queen of Cosy Crime Mail on Sunday Agatha Raisin has never been one for enforced holiday cheer but her friendly little village of Carsely has always prided itself on its traditional Christmas festivities But this year the bells will not be ringing out Silent Night as Mr John Sunday an officer with the Cotswold Health and Safety Board has chosen Christmas as the time to crack down on what he sees as gross misconduct by every man woman and child in the vicinity The village shop is told it can no longer have wooden shelves which have been there since the time of Queen Victoria in case someone is inflicted with a splinter The village school is ordered to leave lights on at night to prevent

unauthorised intruders from tripping in the dark And children are warned to not play with counterfeit banknotes after passing around toy money in the playground But finally Mr Sunday goes too far when he rules that there cannot be a Christmas tree atop the church tower this year Soon after the decree and just before Christmas Agatha is sipping a cup of tea and trying to stay awake as minute by minute of the Carsely Ladies Society meeting at the vicarage drones on when a sudden scream wakes her from her stupor The ladies rush out of the building and into the garden to find Sunday lying face down in the petunias very much dead Agatha is instantly on the case but with so many people having threatened the life of the victim it s almost impossible to know where to start Praise for the Agatha Raisin series M C Beaton has created a national treasure Agatha Raisin is the strongest link Anne Robinson M C Beaton s imperfect heroine is an absolute gem Publishers Weekly Clever red herrings and some wicked unfinished business guarantees that the listener will pant for a sequel The Times audiobook review The Miss Marple like Agatha is a refreshingly sensible wonderfully eccentric thoroughly likeable heroine Booklist
