of Michael Brein me the author The travel stories in Part 2 are largely the funniest stories of world travelers and adventurers whom I ve encountered and interviewed throughout my travels over the last four decades to 125 countries Mostly your travels will typically be exciting and interesting but funny things can and do happen to you at almost any turn along the way The freedom from the typical constraints of home that travel offers us allows us to act and behave in ways that are often atypical and different from how we normally behave at home Thus in travel we can take a few more risks and chances and do a few more silly and funny things that we might not ordinarily do at home With this expanded propensity for more silliness of course comes the opportunity for more funny times more laughs and more great memories For me I ve found that I ve reveled in acting out the Fool or the Clown in my travels very often making people laugh at my own expense It is all in good fun I m not typically like this at home but more so in my travels I hope laughable events happen to you a lot I sincerely hope that the funny travel tales of humor that appear in these pages make you laugh and give you a hint of what lies in store for you in your own travels
