and spiritual when that's not how you truly feel. Over time you may start to feel like your spirit is becoming emptier and joy less. While we struggle against the current, the river of our soul is patiently waiting for us to seek nature's way. Live our inherent passion, let life be easy and attract our good to us. As a society we have been taught to question when we experience pain, trauma or grief. We might ask questions like: Where is God or my Higher Source in my time of need? Why do bad things happen to good people? Why can't my body heal? Why can't my lifestyle improve or If I was born with a purpose and passion why is it so hard for me to find it? In this book these questions and many more are answered by seeing your life from a higher, more pure perspective. By doing away with all shame, doubt and feelings of being violated, you can learn how to move out of self-damaging beliefs and into becoming your true self. You will learn how to start treating your body, mind and spirit as though they are your best friends so that you can connect with Divine Intelligence. You were born with a readily available Intelligence that beats your heart and digests your food; it's what keeps you alive. You will also discover how to use your intuition as your internal guidance system. If you've ever had a gut feeling about something, then you've already experienced your intuition trying to communicate with you. This intuition is real and needs to be acknowledged. Each chapter of this book will give you detailed instructions on how to help deepen your spiritual life. May you embrace your true self with great curiosity for the mystery and mastery that lies within you.

Georgie Anna Holbrook is an internationally recognized Blessing Creator; she interprets the emotions behind health issues along with being a personal and professional guide. She is a gifted intuitive whose motto is "I pray up, show up and then listen up to how I can guide you into a life you love."
