1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

■ **What strategies can colleges use to recruit students that could otherwise contribute to their social mission?** The University of North Carolina has 12,000 undergraduate students enrolled, but just 1,000 of them actually come from the bottom 25 percent of high schools. That gap is partially addressed by programs like the Carolina Scholars Act.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
